CREATING SUCCESS IN COLLEGE AND IN LIFE STUDY SKILLS PLUS EDITION was created for educators who would like
to promote student growth and self awareness and whose goal it is to empower their students while providing more extensive
instruction in study skills The Study Skills Plus Edition engages students in a learner centered construction of study skills
knowledge and gives students practice in applying empowerment strategies The ON COURSE STUDY SKILLS PLUS
EDITION demonstrates the choices that successful students make This new text highlights the very process of learning how
to solve academic challenges with improved study skills so that students learn the empowering process of critical and
creative problem solving that will enable them to achieve greater success in all parts of their lives This is accomplished
through case studies where students can apply strategies they learn to scenarios before creating their own academic skills
plan A self assessment tool at the beginning of the text helps students to identify behaviors and beliefs they may wish to
change in order to achieve more of their potential in college and in life Students have an opportunity to revisit their self
assessment at the conclusion of the text Written in a positive motivational style ON COURSE empowers students with the
tools they need to take charge of their success in college and in life Downing's powerful guided journal entries are retained
from the ON COURSE text to help students develop essential life skills by encouraging exploration of personal responsibility
self motivation interdependence and self esteem Important Notice Media content referenced within the product description
