## Book Early Warning Jane Smiley:

**Early Warning** Jane Smiley, 2015 In 1953 the Langdon family at a crossroads Their stalwart patriarch Walter who with his wife Rosanna sustained their farm for three decades has suddenly died leaving their five children now adults looking to the future Only one will remain in Iowa to work the land while the others scatter to Washington D C California and everywhere in between As the country moves out of post World War II optimism through the darker landscape of the Cold War and the social and sexual revolutions of the 1960s and 70s and then into the unprecedented wealth for some of the early 1980s the Langdon children each follow a different path in a rapidly changing world And they now have children of their own twin boys who are best friends and vicious rivals a girl whose rebellious spirit takes her to the notorious Peoples Temple in San Francisco and a golden boy who drops out of college to fight in Vietnam leaving behind a secret legacy that will send shock waves through the Langdon family into the next generation

[Early Warning: The Last Hundred Years Trilogy 2](#) Jane Smiley, 2015-05-01 From Pulitzer Prize winning author Jane Smiley comes the second instalment in a landmark trilogy spanning the last hundred years Expansive yet intimate crisply detailed Roy Hoffman The New York Times Book Review Wondrous Early Warning is a good reminder that the big juicy novel is ascendant again Valerie Sayers The Washington Post 1953 When a funeral brings the Langdon family together once more they little realize how much over the coming years each of their worlds will shift and change For now Walter and Rosanna's sons and daughters are grown up and have children of their own Frank the eldest restless unhappy ignores his troubled wife and instead finds himself distracted by a face from the past Lillian must watch as her brilliant eccentric husband Arthur is destroyed by the guilt arising from his secretive government work Claire too finds that marriage is not quite what she expected it to be In Iowa where the Langdons began Joe sees that some aspects of life on the farm never change while others are unrecognizable And though a few members of the family remain mired in the past others will attempt to move beyond the lives they have always known and some will push forward as never before The dark shadow of the Vietnam War hangs over every one In sickness and health through their best and darkest times the Langdon family will live and love and suffer against the broad merciless sweep of American history Moving from the 1950s to the 1980s Early Warning is epic storytelling at its most wise and compelling from a writer at the height of her powers
