Book Editors Toolkit Practical Guide Editing:

The Chicago Guide to Copyediting Fiction Amy J. Schneider, 2023-03-10 A book world veteran offers the first copyediting guide focused exclusively on fiction. Although The Chicago Manual of Style is widely used by writers and editors of all stripes, it is primarily concerned with nonfiction, a fact long lamented by the fiction community. In this long awaited book from the publisher of the Manual, Amy J. Schneider, a veteran copyeditor who has worked on bestsellers across a wide swath of genres, delivers a companionable editing guide geared specifically toward fiction copyeditors, the first book of its type. In a series of approachable thematic chapters, Schneider offers cogent advice on how to deal with dialogue, voice, grammar, conscious language and other significant issues in fiction. She focuses on the copyediting tasks specific to fiction, such as tracking the details of fictional characters, places and events to ensure continuity across the work and provides a slew of sharp, practicable solutions drawn from her twenty five years of experience working for publishers both large and small. The Chicago Guide to Copyediting Fiction is sure to prove an indispensable companion to The Chicago Manual of Style and a versatile tool for copyeditors working in the multifaceted landscape of contemporary fiction.

[My Journey to Now, Plus Tools for the Seeker](#) James Westly, 2014-04-25 This is the story of an extraordinary journey that begins for author James Westly back in 1977. He was at the time happily married and involved in a successful corporate business career in Philadelphia. But something was missing. He didn't know quite what it was that he was searching for, but one day a small ad in the personals section of the newspaper caught his attention and started him on a path that totally changed his life. In the months that follow, he set out on a journey of self discovery that would, within a year's time, lead him to virtually withdraw from the world to separate himself from his job, his house, his wife, his friends and his material possessions. In the process, he joined a retreat in Northern California and made a new life for himself there, where he began a profound intellectual, emotional and physical transformation that opened up an entirely different way of living for him. His account of his journey into this new world reads like a novel. He tells his story with a mixture of eloquence and insight that is both breathtaking and inspirational. The journey ends happily, but it is not without its moments of conflict, crisis and peril. Tom Hyman, author of *Jupiter's Daughter*

The Editor, 1900 [The Editor's Toolkit](#) Chris Wadsworth, 2016-01-22 The Editor's Toolkit A Hands-On Guide to the Craft of Film and TV Editing is a tutorial based introduction to the craft of editing.
