### **Just for Girls Gr. 3-6 Reading Comprehension , Literacy**

Beyond Text Comprehension M. Anne Britt,Jean-François Rouet,Amanda Durik,2017-07-06 Literacy Beyond Text

Comprehension aims to systematically investigate how readers interpret reading tasks within a situation and how that interpretation influences reading behavior and comprehension Presenting a new model of REading as problem SOLVing RESOLV the authors describe reading comprehension in terms of how a reader adopts goals within a particular situation that then guide what is read when and how By applying the RESOLV model to a range of reading situations this book provides evidence to suggest that there is no unitary understanding of a task because individuals bring their own goals and characteristics to the situation as such it demonstrates the importance of understanding how a reader e.g. student test taker employee completing a work task represents the context and the specific assignment Written by internationally recognized learning sciences scholars Literacy Beyond Text Comprehension advances the state of the art in reading research but also seeks to inform a broader range of audiences including those interested in the teaching and the assessment of reading
