Box Office ,1950      **James Bond Will Return** Claire Hines, Terence McSweeney, Stuart Joy, 2024-01-09 For over six decades James Bond has been a fixture of global culture universally recognizable by the films combination of action set pieces sex political intrigue and outrageous gadgetry But as the British Empire entered the final stages of collapse as the Cold War wound down and the War on Terror began and as the visions of masculinity and femininity the series presented began to strike many viewers as outdated the Bond formula has adapted to the changing times Spanning the franchise s entire history from Sean Connery s iconic swagger to Daniel Craig s rougher more visceral interpretation of the superspy James Bond Will Return offers both academic readers and fans a comprehensive view of the series s transformations against the backdrop of real world geopolitical intrigue and sweeping social changes Leading scholars consider each of the twenty five films in the series showing how and why Bond has changed and what elements of the formula have stood the test of time Each chapter examines a single film from a distinct position giving readers a full picture of the variety and breadth of the longest running series in cinema history Close formal readings production histories tracings of the political social and historical influences analyses of the series use of then new filmmaking technologies reflections on the star personas that have been built around the character these and many more approaches combine to produce a wide ranging view of the James Bond film franchise Essential reading for Bond scholars and aficionados alike James Bond Will Return brings out the many surprising complexities of an iconic character      The Humana Festival Jeffrey Ullom, 2008-06-19 Far from the glittering lights of Broadway in a city known more for its horse racing than its artistic endeavors an annual festival in Louisville Kentucky has transformed the landscape of the American theater The Actors Theatre of Louisville the Tony Award winning state theater of Kentucky in 1976 successfully created what became the nation s most respected new play festival the Humana Festival of New American Plays The Humana Festival The History of New Plays at Actors Theatre of Louisville examines the success of the festival and theater s Pulitzer Prize winning productions that for decades have reflected new play trends in regional theaters and on Broadway the result of the calculated decisions dogged determination and good luck of its producing director Jon Jory The volume details how Actors Theatre of Louisville was established why the Humana Festival became successful in a short time and how the event s success has been maintained by the Louisville venue that has drawn theater critics from around the world for more than thirty years Author Jeffrey Ullom charts the theater s early struggles to survive the battles between troupe leaders and the desperate measures to secure financial support from the Louisville community He examines how Jory established and expanded the festival to garner extraordinary local support attract international attention and entice preeminent American playwrights to premier their works in the Kentucky city In The Humana Festival Ullom provides a broad view of new play development within artistic administrative and financial contexts He analyzes the relationship between Broadway and regional theaters outlining how the Humana Festival has changed the

process of new play development and even Broadway's approach to discovering new work and also highlights the struggles facing regional theaters across the country as they strive to balance artistic ingenuity and economic viability. Offering a rare look at the annual event, The Humana Festival provides the first insider's view of the extraordinary efforts that produced the nation's most successful new play festival. **Railroad Telegrapher**, 1947      *The Box Office Check-up*, 1934

*Showmen's Motion Picture Trade Review*, 1954      *100 Greatest Cult Films* Christopher J. Olson, 2018-04-12. The term cult film may be difficult to define but one thing is certain: A cult film is any movie that has developed a rabid following for one reason or another. From highly influential works of pop art like *Eraserhead* and *Faster Pussycat Kill Kill* to trash masterpieces such as *Miami Connection* and *Fateful Findings*, thousands of movies have earned recognition as cult classics over the years, and new movies rise to cult status every year. So how do viewers searching for the best or most important cult films decide where to start? In *100 Greatest Cult Films*, Christopher J. Olson highlights the most provocative, intriguing, entertaining, and controversial films produced over the last century. The movies included here have either earned reputations as bona fide cult classics or have in some way impacted our understanding of cult cinema, often transcending traditional notions of good and bad while featuring memorable characters, unforgettably shocking scenes, and exceptionally quotable dialogue. With detailed arguments for why these films deserve to be considered among the greatest of all time, Olson provides readers fodder for debate and a jumping off point for future watching. A thought-provoking and accessible look at dozens of cinematic treasures, this resource includes valuable information on the films' creators and institutions that have shaped cult cinema. Ultimately, *The 100 Greatest Cult Films* offers readers, from casual cinephiles, film scholars, and avid fans alike, a chance to discover or re-discover some of the most memorable films of all time. *Theatricals* Eleanor

Gwyn-Jones, 2013-12-03. Enna Petersen has never been good at making personal decisions, particularly when she has to choose between her passions. As a theater director, the stage is her world; the spotlight, her vitamin D; the waft of greasepaint, her oxygen. However, when her handsome American businessman boyfriend proposes and paints the picture of a luxurious life in Pennsylvania, she has to tear her heart in two and give up on her theatrical dreams. But as she navigates the visa gauntlet at the US embassy in England, she meets Will, a charismatic, erudite actor who encourages her to not give up on her dilapidated and much-beloved theater. She is torn, tormented by the thought that her departure will certainly lead to Ashted Theatre's demise, but she follows her heart, says goodbye to her homeland, and begins her new role as Cole's fiancée in America. However, homesickness soon strikes. Enna longs for the English countryside, her theater, and the passion that Will has inspired in her. After her American dreams fall apart, she is reunited with all three back in the UK, and with Will's help, she soon finds her theater more successful than she ever thought possible. She has everything she's ever wanted, including a gorgeous man in her bed to share it with, so why is it she can't stop thinking about Cole? **The Railroad Telegrapher**, 1958      **The Theatre**, 1894      **The Theatre** Clement Scott, Bernard Edward Joseph Capes, Charles Eglington, Addison
