Invest Now - The Passive Approach to Winning at Real Estate Jim Pellerin, 2023-04-05 People are lost when it comes to investing and planning for their retirement. The stock market is underperforming and has always been volatile. And besides, who has the time to learn enough to invest in the right companies? Real estate investing has long been an investment alternative for many people over the years. But most people don't know how to get started in real estate. And most people think real estate is risky and takes a lot of time and so people shy away from it. But what if there was a way to make money with real estate without having to invest any of your own time? Passive Real Estate Investing is the solution. You can invest in real estate almost like you would invest in the stock market. *Invest NOW* covers everything you need to know to decide if passive real estate investing is the right investment alternative for you. Real estate investing doesn't have to be hard as long as you are informed.
