**EBOOK: Talk for Writing in the Early Years: How to teach story and rhyme, involving families 2-5 years** Pie Corbett, Julia Strong, 2016-01-16 Pie Corbett's ground breaking Talk for Writing approach has been successfully used by thousands of schools to teach writing creatively in an engaging way that motivates children. Now Pie and Julia take this multi-sensory approach to Early Years settings introducing a simple way to inspire young children's language development through storytelling. Children learn language through memorable meaningful repetition. The Talk for Writing approach enables children to internalise the language of story so that they can imitate it, innovate on it and create their own effective stories independently. Talk for Writing in the Early Years will show you how to put rhyme and story at the heart of your work with children and parents so that young learners' language development and creativity flourishes. This multimedia resource shows you how to select a story or rhyme the children will enjoy and tell it engagingly, encouraging the children to join in. Use a story map so they can picture what happens. Use actions to reinforce meaning and emphasise key language patterns. Help children build a bank of tales developing their linguistic repertoire. The 2 DVDs contain footage of Pie Corbett conferences with EY teachers showing Talk for Writing in action. Clips of nursery children engaged in the Talk for Writing approach. Advice on how to use the DVD and handouts to train all staff in the approach. Interviews with parents and nursery school teachers on the impact of Talk for Writing. 21 stories with story maps. *Reading and Writing* Wendy Wren, 1998. This photocopiable book provides a resource for the Literacy Hour, the National Curriculum for English and the Scottish Guidelines for English Language 5-14. Includes CD Rom. A useful resource to have in any early years setting providing a wealth of information within a very neat and compact book. Special The Write Dance materials are wonderfully done. After meeting with Ragnhild a few years ago I have been using many of these principles in my work with children. The methods definitely work and are definitely needed by today's kids. Delina Robair, Developmental Child Specialist, USA. Here is a book worth looking at: the children were enthusiastic and the programme provided great fun for the staff and children. Early Years Outdoors Write Dance is an innovative and exciting programme widely used across Europe as a way of introducing handwriting using music, movement and exercise. It has been found especially helpful for children with special educational needs, from learning difficulties to dyspraxia. In Write Dance in the Nursery, early years practitioners are provided with a new package of songs, stories and role play ideas designed especially for their settings. Supporting child-initiated play within the foundation curriculum and the Birth to Three Matters framework, these provide an introduction to the nine themes in the Write Dance approach at an appropriate developmental level. The

children are encouraged to experience all the Write Dance movements with the aim of making them feel happy and comfortable with their bodies      Creative Writing for Teens Amanda J Harrington,2014-07-20 Creative Writing for Teens is part of the Creative Writing for Kids series This series brings out the fun in creative writing and literacy helping young people to develop creative thinking and gain new skills The creative work is a combination of practical technical exercises such as leaflets and reports and imaginative writing with exciting and gripping story ideas The work is fully guided with lots of example answers including a detailed and immersive project at the end of the book All the exercises have been used in real life tuition and classes with different ages and abilities by students aged 13 to 19      **The National Nurseryman** ,1896
