Y. P. D. True** Anonymous,2005-06-27 N Y P D True The Decay of the Big Apple s Police Department is not a book praising the New York City Police Department and how adventurous it is to be a NYPD cop In fact information written in this book are things that many newspapers ranking members of the Department and regular police officers would not talk about in a public forum for fear of the repercussions that would face them However it is a book about the truth and the inner workings of the job It is a book about the chaos and disorder that REAL COPS who work for this bureaucracy have to face everyday It is a tribute to

those who have been wronged and their families who stuck by them when the Department wouldn't This book is authentic It shows the realities of the NYPD by one of its own in a unique fashion It's not about specific cases but rather the NYPD and its injustices as a whole It is truthful and raw and will offer the reader an accurate glimpse into the everyday operations within the NYPD For young people who are thinking about making a career with the NYPD this is a must read You will extract information from these pages that you will not hear on the radio television or NYPD recruitment promos It is the NYPD's dark and dirty secrets they withhold from the general public by Nazi like tactics and Byzantine outdated rules of the NYPD's Patrol Guide To the skeptics who don't believe the truthfulness and veracity of such information as presented in this book I tell them this next time you see a REAL New York City police officer ask them if what I say is true If you are speaking to a REAL cop their reply will undeniably be 100% true      **A Comparative Study of New York** Aniceto Dino Doria,2002
