*Our Own Time* David R. Roediger, Philip S. Foner, 1989-11-17 *Our Own Time* retells the story of American labor by focusing on the politics of time and the movements for a shorter working day. It argues that the length of the working day has been the central issue for the American labor movement during its most vigorous periods of activity, uniting workers along lines of craft, gender, and ethnicity. The authors hold that the workweek is likely again to take on increased significance as workers face the choice between a society based on free time and one based on alienated work and unemployment. **New York Federal Detention Center, City of Buffalo, Albion Site and Batavia Site**, 1995 **Fulton Street Transit Center, New York, New York, Section 4(f) Evaluation**, 2004 **Queens Subway Options Study, New York**, 1992 **Federal Register**, 2013-04 **New York State Air Quality Report**, 1984 *Laws of New York Relating to Common Schools with Comments and Instructions and a Digest of Decisions [microform]* New York (State), 1879 **New York School Journal**, 1897 *New York State Air Quality Implementation Plan*, 1979 **The British Library General Catalogue of Printed Books to 1975** British Library, Jim Emmett, 1979 **The Official Compilation of the Rules of the City of New York, with Annotations: Titles 34-35.
