## Cats and Dogs

Directions: Read about cats and dogs. Then, complete the Venn diagram, telling how they are the same and different.

Cats and dogs are popular pets. Both cats and dogs have fur, and they need food and water every day. Cats are usually quiet and like to climb, while dogs often bark and enjoy running outside. Cats clean themselves by licking their fur, but dogs need people to give them baths. Dogs love being with people all the time, while cats can be left alone for longer periods.

Books are stories and ways to tell them. They are both used for entertainment. Books are made of pages with words, which readers can follow. Movies are shown on a screen, so readers can't see each other. The story is with words, and words can't be seen. The story can be seen anywhere and anytime with a screen and speakers. Books are not seen.
