Media Today Joseph Turow, 2016-10-04 Media Today uses convergence as a lens that puts students at the center of the profound changes in the 21st century media world. Through the convergence lens they learn to think critically about the role of media today and what these changes mean for their lives presently and in the future. The book's media systems approach helps students to look carefully at how media content is created, distributed and exhibited in the new world that the digital revolution has created. From newspapers to video games and social networking to mobile platforms, Media Today prepares students to live in the digital world of media. **The Worldwide Threat to United States Interests** United States.
