**Anita M. Moorman**

## Nike Team Roster Review:

**Adweek**, 2002-04    **AATCC Review**, 2004    **Sports Culture** Ellis Cashmore, Ernest Cashmore, 2000 We live in a culture in which sports play an important role. The growth in broadcasting, merchandising, iconography and the commercialization of sports has led to an increasing interest in the emerging field of sports culture. This book examines individual issues, people, artefacts, events and organizations in their historical, social and cultural contexts. Coverage is wide ranging, with more than 170 entries including aggression, Bosman Case, corruption, drugs, eating disorders, Fever Pitch, Field of Dreams, Michael Jordan, Don King, left handedness, nationalism, paternity, racism, Raging Bull, rivalries, tobacco. The book also includes suggestions for further reading to help with further study and a comprehensive index.    **Sport Law** Anita M. Moorman, 2017-07-05 Sport Law: A Managerial Approach, third edition merges law and sport management in a way that is accessible and straightforward. Its organization continues to revolve around management functions rather than legal theory. Concise explanations coupled with relevant industry examples and cases give readers just enough legal doctrine to understand the important concepts that apply to each area. This book will help prepare students as they get ready to assume a broad range of responsibilities in sport education or recreation. Whether readers work as coaches or teachers, administer professional programs, manage fitness health clubs or assume roles in a high school, college, Olympic or professional sport organization, legal concerns will inevitably be woven into their managerial concerns. This book provides knowledge of the law that helps create a competitive advantage and build a more efficient and successful operation that better serves the needs of its constituents. Special Features of the Book: Managerial context tables, Chapter opening exhibits, act as organizational and study tools identifying managerial contexts in relation to major legal issues, relevant law and illustrative cases for the chapter. Case opinions, focus cases and hypothetical cases. Legal opinions both excerpted case opinions and summarized focus cases illustrate relevant legal points and help readers understand the interplay between fact and legal theory. The cases include questions for discussion and the instructor's manual provides guidance for the discussion. Hypothetical cases further highlight topics of interest and include discussion questions to facilitate understanding of the material, analysis and possible responses appear at the end of the chapter. Competitive advantage strategies. Highlighted focused strategies based on discussions in the text help readers understand how to use the law to make sound operational decisions and will assist them in working effectively with legal counsel. Discussion questions, learning activities and case studies. Thoughtful and thought provoking questions and activities emphasize important concepts they help instructors teach and readers review the material. Creative case studies stimulate readers as future sport or recreation managers to analyze situations involving a legal issue presented in the chapter. Annotated websites. Each chapter includes a collection of web resources to help readers explore topics further. Accompanying the web addresses are brief descriptions pointing out key links and the sites' benefits. Bookmarking these sites will help readers in future research or throughout their careers.    **Management Review**,

**INNOVATION IN THE AIR** ,1995    **Inside Football** Angus G. Garber,1998-11 Inside Football recounts the rough and tumble history of professional football with sidebars featuring profiles of the greatest players and coaches ever to stalk the gridiron in depth analyses of the positions colorful quotes from countless coaches and players and action packed black and white and full color photographs of the greatest players and events in footballs history    Chambers & Partners' the Legal Profession ,1999    Roster of Organizations in the Field of Automatic Computer Machinery ,1960    *Harvard Business Review* ,2003    **Business Review Weekly** ,1999    *The Wall Street Journal* ,2006    **Marketing** ,2006    **Brandweek** ,2004    The New York Times Index ,2005    **Sports Sponsorship** John A. Fortunato,2013-08-03 This book focuses on how the sponsorship of sports works the costs the goals evaluation and selection of the property a sponsor chooses how to activate a sponsorship how to create a brand association public relations and brand image possibilities Anything is possible in a sponsorship it is simply what the sponsor and the property can agree to during their negotiations There is for example the opportunity for product category exclusivity no competing brand at a particular location With the audience being harder to reach because of technology sponsorship continues to be a viable way to obtain brand exposure and better connect a brand with a consumer With global sponsorship spending totaling more than 51 billion it is clear that many companies see this as an important promotional communication strategy Instructors considering this book for use in a course may request an examination copy here    *Advertising Creative* Tom Altstiel,Jean Grow,Marcel Jennings,2019-01-18 Advertising Creative Fifth Edition continues to weave discussions about digital messaging through every chapter Yet the underlying theme is still about one thing that never changes the need for fresh concepts and big ideas in pursuit of the One Thing This edition introduces a new co author Marcel Jennings who brings a fresh perspective from his background as a copywriter and creative director as well as teaching at Virginia Commonwealth University As always the authors draw upon their experiences as working advertising professionals and teachers to get right to the point stressing key principles and practical information that students and working professionals can use to communicate more effectively to build memorable brands They also address some of the key issues impacting our industry today such as gender equality diversity in the workplace and business ethics    Harper's ,2010    Aeronautical Engineering Review ,1957    **F&S Index United States Annual** ,1999

**Illinois Basketball Guide** ,2009
