Ny Parole Officer 2015 Study Guide:

Handbook on Risk and Need Assessment Faye Taxman, 2016-11-10 The Handbook on Risk and Need Assessment Theory and Practice covers risk assessments for individuals being considered for parole or probation Evidence based approaches to such decisions help take the emotion and politics out of community corrections As the United States begins to back away from ineffective expensive policies of mass incarceration this handbook will provide the resources needed to help ensure both public safety and the effective rehabilitation of offenders The ASC Division on Corrections Sentencing Handbook Series will publish volumes on topics ranging from violence risk assessment to specialty courts for drug users veterans or the mentally ill Each thematic volume focuses on a single topical issue that intersects with corrections and sentencing research

Safeguarding the Quality of Forensic Assessment in Sentencing Michiel Van der Wolf, 2022-09-30 This edited collection provides an interdisciplinary and cross national perspective on safeguarding the quality of forensic assessment in sentencing offenders Taking an in depth look at seven different Western countries each chapter provides an overview of the role of assessment in sentencing offenders as well as a focus on formal ways in which the respective country s legal system and disciplinary associations protect the quality of forensic assessment Each chapter explores how to assure better decision making in individual cases based on assessments of psycholegal concepts such as mental disorder insanity criminal responsibility and dangerousness Combining the perspectives of lawyers legal scholars and clinicians working in the field this book is essential for those working in and with forensic assessment The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Handbook on Moving Corrections and Sentencing Forward Pamela K. Lattimore, Beth M. Huebner, Faye S. Taxman, 2020-11-10 This volume addresses major issues and research in corrections and sentencing with the goal of using previous research and findings as a platform for recommendations about future research evaluation and policy The last several decades witnessed major policy changes in sentencing and corrections in the United States as well as considerable research to identify the most effective strategies for addressing criminal behavior These efforts included changes in sentencing that eliminated parole and imposed draconian sentences for violent and drug crimes The federal government followed by most states implemented sentencing guidelines that greatly reduced the discretion of the courts to impose sentences The results were a multifold increase in the numbers of individuals in jails and prisons and on community supervision increases that have only recently crested There were also efforts to engage prosecutors and the courts in diversion and oversight including the development of prosecutorial diversion programs as well as a variety of specialty courts Penal reform has included efforts to understand the transitions from prison to the community including federal led efforts focused on reentry programming Community corrections reforms have ranged from increased surveillance through drug testing electronic monitoring and in some cases judicial oversight to rehabilitative efforts driven by risk and needs

assessment More recently the focus has included pretrial reform to reduce the number of people held in jail pending trial efforts that have brought attention to the use of bail and its disproportionate impact on people of color and the poor This collection of chapters from leading researchers addresses a wide array of the latest research in the field A unique approach featuring responses to the original essays by active researchers spurs discussion and provides a foundation for developing directions for future research and policymaking *The Palgrave Handbook of Institutional Ethnography* Paul C.
