paycheck Now she's sitting across from the first other human being she's seen in six years His name is Adnan He claims to come from Earth but that's impossible Earth died a long time ago If Adnan's telling the truth he and the decaying ship the captain pulled him off are nearly a thousand years old Wherever he's from he's Shaara's responsibility now Which is the last thing she needs But it's either that or the captain sells Adnan into slavery Shaara knows what that would mean Most humans do And something inside her won't let her abandon Adnan to it revenant memories stabbed awake by the look in his eyes Facing those memories won't be easy It'd be far easier to ignore the feeling driving her forward Far easier to let it all go to hell and drift back to sleep Until a shadowy new faction starts stoking the fires of war They're looking for Adnan Earth's last survivor holds the key to unleash a terrible indiscriminate vengeance on the galaxy that wronged them Who they are is a mystery to everyone but Shaara Hard as she's tried to forget she knows them all too well Which means she's the only one who can stop them The question is does she want to Maybe the galaxy's earned a little vengeance The first book in the trilogy *Oblivion's Cloak* won First Place in the Space Opera category at the 2023 Cygnus Awards
