Ollie the Octopus

Ollie is a little boy octopus that lives under the sea. He has a large head, gigantic eyes, and eight long arms. Ollie has a very special skill. His skin is able to quickly change colors, which helps him to blend into his surroundings when a predator approaches. Most predators will swim right by him without even noticing that he is there! Ollie is a very curious octopus, always exploring his ocean habitat. One day, despite his mother's warnings, he decided to swim to a sunken ship that was near his home. This ship was brown and had green doors on it. While Ollie was exploring one of the green doors, a shark approached him! Quickly, Ollie changed his skin to blend in with the ship. It worked. Ollie was safe! Ollie swam home. That was enough adventure for one day.
