than just the theater world in fact it should be of interest to everyone in search of a book that is readable keenly observant and witty New York Times Guthrie s writing as usual is fresh witty sometimes caustic and always invigorating Library Journal After a long and storied career as one of Britain s great stage directors Sir Tyrone Guthrie had become disillusioned with the artistic standards and financial compromises found in the commercial theater of Broadway and London s West End He discovered that outside of New York most of America did not have access to professional theater To remedy this problem Guthrie and his colleagues proposed starting a nonprofit repertory theater company in a city far removed from Broadway

Scouting and pitching his idea to several major U S cities Guthrie finally found a home for his theater in Minneapolis A New Theatre chronicles how a coalition of local Minneapolis businesses and philanthropic leaders worked with Guthrie to create the Guthrie Theatre in the early 1960s In his amusing and personable style Guthrie welcomes readers on a tour of one of the most dynamic young theatrical institutions in the world exploring its years of planning Ralph Rapson s design of the original building and the thrust stage the first productions and their receptions as well as discussing his larger views of theater s future and its role in society Sir Tyrone Guthrie 1900 1971 was managing director of the Old Vic and Sadler s Wells and helped found the Stratford Festival of Canada and the Guthrie Theater in Minnesota Joe Dowling is Artistic Director for the Guthrie Theater
