*Behind the Screen* Ari Hakkarainen, 2010-09-10 Behind the Screen unveils Nokia's phenomenal success story through people business initiatives and products The book explores key moments key technologies and key managers who contributed to the company's growth to become the world's favorite mobile phone brand In the 1990s Nokia outrivaled the traditional telecommunications companies Motorola and Ericsson by introducing innovative products that allowed personalization and gaming and by exploiting new technologies which created businesses that didn't exist before such as ringtones Once the dot com bubble had burst and 3G licence bidding had driven the industry into a downturn Nokia faced new competition Microsoft challenged Nokia in software and Samsung and LG in hardware Yet Nokia was thriving as the competition heated up It wasn't enough because the biggest disruption in mobile communications was yet to come the Internet After Apple introduced the iPhone Google gave away an open source operating system for smartphones and Skype generated revenues from a free telephone service it wasn't enough for Nokia just to crank out products for the vast Indian market or tailor phones for AT&T or Vodafone The industry had changed irrevocably Whereas people in

established markets wanted to access their favorite social networking services like Facebook or Twitter using a mobile device people in emerging markets needed their first e mail accounts That's where Nokia's strategic Internet service Ovi came in Behind the Screen unfolds the stories of businesses and technologies that Nokia created and turned into global successes or into miserable failures It might be impossible to replicate Nokia's success but the stories offer valuable nuggets on how to thrive in global markets **Electronics Buying Guide** Consumer Reports, 2007-09-18 A consumer guide integrates shopping suggestions and handy user tips as it describes and rates dozens of digital electronic products including cell phones digital cameras televisions computers and home theater products [Understanding Strategic Management](#) Anthony E.
