**Iced: Gold Hockey 1-3** Elise Faber, 2020-05-21 Blocked This is her shot Brit has the chance to make history by being the first female goalie to play for an NHL team the San Francisco Gold So when she is introduced to Stefan the Gold's captain she is determinedly not interested Stefan is sexy charming and has a publicly documented list of conquests a mile long Brit is unwilling to risk mixing business with pleasure even when that business is wrapped up in a six foot plus gorgeously muscled package When management pushes Brit and Stefan together in an effort to gain good press for the beleaguered team Brit finds that her carefully calculated disinterest doesn't mask her body's desires The more she falls for Stefan the more she risks her career Will she be able to have it all a starting position and the heart of the captain Or will she lose everything

**Backhand** Mike Stewart is a bad boy Sleeping around Boozing Fighting with teammates Name a bad behavior and he's done it done it so well in fact that he almost tanked his career as a starting defenseman for the NHL's San Francisco Gold But Mike is done with all that He's starting with a fresh foot forward and putting his past behind him That is until his past quite literally reappears before his eyes Sara Jetty is just as beautiful as she was a decade before but Mike hasn't seen her since she scored a gold medal in women's figure skating Now something has put shadows in her eyes a familiar type of hurt he is all too well versed in This Sara wants nothing to do with him Their easy friendship is gone and in its place is a hardened woman who's nothing like the girl from his past Still Mike hasn't become a top defenseman in the NHL by being afraid of hard work and he isn't about to let Sara push him away Come hell or high water he's going to crack her tough outer shell and find the sweet innocent woman he's lusted after and loved in equal measure for more than ten years

**Boarding Muscles** Mandy's work was supposed to be regulated to muscles Well muscles and ligaments and tendons and general body health and Blane was her fantasy literally her nightly fantasy He was sexy strong talented and normally she would have thrown herself at his feet and begged for a night or cough more showing him exactly what that fantasy was But that would mean she would get fired and worse so would he She couldn't have that on her conscience not when Blane was a gifted player for the San Francisco Gold Plus he was a professional athlete and their relationships were doomed to fail Mandy knew that firsthand and she also knew she couldn't live that life Always being the one left behind always way down on the priority list Hockey was his job and it was all consuming That was reality and everything was fine Until Blane got hurt Until she was spending more time with him Much more time Until Blane told her she was his fantasy too
