## Nhl Opening Night Vs:

**The NHL's Mistake by the Lake** Gary Webster, 2021-09-23 The Cleveland Barons should never have existed Born when the National Hockey League's California Golden Seals another team that should never have existed were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio the Barons were an embarrassment to the city and to the NHL The only thing the team had going for them was the state of the art arena they played in which was all but empty for nearly every game they played This book chronicles the Barons two regrettable seasons a case study in what happens when an ill conceived professional sports team created in an expansion splurge is moved in an effort to save it to a city that doesn't really want it

**Hockey Tonk** Craig Leipold, 2008-07-13 Hard hitting nonstop action and that's just what happens off the ice Hockey is the fastest of all team sports an emotional exhilarating and highly entertaining blend of speed finesse intensity and bone crunching physical impact And the NHL's Nashville Predators are in every respect a team to watch But the story leading up to and through the Predators triumphant first season is every bit as exciting as the game itself Hockey Tonk tells of one man's dream of bringing a pro team to a city best known for its music industry The journey from that dream to its fulfillment in an arena filled with 17 000 screaming fans is a story of vision passion hard work perseverance and commitment to long term success It's a story of teamwork and hard nosed competition both on and off the ice Just a few short years ago the majority of Nashville Tennessee didn't know the difference between a blue line and a line dance But now Music City has become a pro sports town thanks to a fiercely competitive hockey team its business and community minded front office and fan support that according to USA Today is second to none

**The First Season** Bob Duff, 2017-10-03 The National Hockey League is celebrating its hundredth anniversary in 2017 2018 but Bob Duff's The First Season reveals how close the league came to folding in its very first year Set against the turmoil of the Great War and born out of a ruse to rid the league of reviled Toronto owner Eddie Livingstone the new league suffered from a series of crises from a shortfall of quality players due to military conscription to rival leagues and divided fan loyalties to the burning down of the Montreal Arena that was home ice to two teams But despite all this the league survived and became the worldwide standard for competitive hockey With chapters devoted to the first ever NHL playoffs and Stanley Cup championships in addition to team and player profiles and vintage black and white photos Duff's The First Season is essential reading for every hockey fan providing real insight about the first generation of hockey heroes
