These papers are among the large number that attained significant interest last year but we selected just 10 which we consider to be the best. These articles have already made an impact in the form of original research or comprehensive reviews. As the Field Chief Editor I would like to stand alongside our journal staff to honor all authors who contributed very high level papers to the journal last year and are contributing to our success. We also thank the editors and reviewers of these papers and of all papers this past year for their invaluable contribution
