Pagan And Christian Creeds Large Print Edition:

Pagan and Christian Creeds Edward Carpenter, 2019-09-30 An important thinker in the late nineteenth and early twentieth century period English writer and philosopher Edward Carpenter was blessed with a seemingly insatiable intellectual curiosity

Pagan and Christian Creeds Edward Carpenter, 2020-03-29 Meanwhile the Christian Church from these speculations has kept itself severely apart as of course representing a unique and divine revelation little concerned or interested in such heathenisms and moreover in this country at any rate has managed to persuade the general public of its own divine uniqueness to such a degree that few people even nowadays realize that it has sprung from just the same root as Paganism and that it shares by far the most part of its doctrines and rites with the latter Till quite lately it was thought in Britain that only secularists and unfashionable people took any interest in sun-gods and while it was true that learned professors might point to a belief in Magic as one of the first sources of Religion it was easy in reply to say that this obviously had nothing to do with Christianity The Secularists too rather spoilt their case by assuming in their wrath against the Church that all priests since the beginning of the world have been frauds and charlatans and that all the rites of religion were merely devil's devices invented by them for the purpose of preying upon the superstitions of the ignorant to their own enrichment They the Secularists overleaped themselves by grossly exaggerating a thing that no doubt is partially true Thus the subject of religious origins is somewhat complex and yields many aspects for consideration It is only I think by keeping a broad course and admitting contributions to the truth from various sides that valuable results can be obtained It is absurd to suppose that in this or any other science neat systems can be found which will cover all the facts Nature and History do not deal in such things or supply them for a sop to Man's vanity
