The Mighty Tuskers Erik Daniel Shein,Melissa Davis,Karen Fuller,2023-05-16 A compelling journey of seven legendary tusker superheroes and the one in line to be the next king A war has raged for centuries in the African rainforest Once a place of peace ruled by a great tusker king the rainforest now lies in shadows as the ghosts of the Obambo fight for dominance The story is older than time but a glimmer of hope shines on the horizon Change is in the wind and the world is ready for it Dakarai a young African forest elephant has grown up on the stories of his father the great tusker king Ajamu one of the seven great tusker superheroes It is not only his birthright to follow in his father s footsteps but also his greatest desire Hidden and sheltered from the ongoing war Dakarai finds himself unprepared when the time comes to join With their very existence at stake Dakarai must master his abilities and self doubts to face the greatest evil in the jungle If he doesn t prevail all is lost *The Exhibitor* ,1940 Some issues include separately paged sections Better management Physical theatre extra profits Review Servisection

Through the Mortal Veil Erik Daniel Shein,Melissa Davis,Karen Fuller,2019-04-15 From the moment their parents moved them into the ancient relic of a house Indigo Thornberg finds herself in a world beyond her worst imaginations The wallpaper walls and clawfoot bathtub makes it clear the house was built long before the beginning of time Their house isn t even wired for the internet To top it off her room is pink Like bubblegum pink the pale pasty kind that ballerina girls would die for but not Indigo And while that might seem like the worst thing that could happen to a goth girl like herself something even worse is lurking in the shadows The only thing that makes the move bearable is the fact that her twin brother Crow is just as miserable as she is The moment the teens turn sixteen their lives take a bizarre turn as a dormant magic awakes within them They are called to the one place that keeps them safe from the things that go bump in the night the mortal veil As they slip through the veil they find that their destiny awaits on the other side They must find a way to close the veil to keep their world safe from the evil that wishes to destroy it Never one to back down from a challenge Indigo is prepared to take on the trials ahead of her but Hevexa is filled with dangers in all shapes and sizes monsters that exist outside of her wildest imagination Will they be able to restore the veil before the monsters of Hevexa take over their world Or would they lose themselves to the darkness on the other side *Rocket Hounds* Erik Daniel Shein,Melissa

Davis,Karen Fuller,2023-06-08 Oaktree Farms is not just known as a second chance for rescued animals It s also known for having the fastest dogs around the agility circuit After the farm suffers from a tragic loss it s up to some new recruits to help pull them all back together and save the farm When two young pups Cody and Taz are brought to Oaktree Farm they have no idea what new life is in store for them The chocolate lab and Australian shepherd are big fans of the infamous circuit champion Rocket The Great Dane decides to help train them to run agility courses with him to help bring the title back home to the farm With the fate of Oaktree Farms on their shoulders the Rocket Hounds must find a way to win the Regional Canine Classic [The Music of Us](#) Uvi Poznansky,2015-10-27 **Desert Diggers** David Mitchelhill-Green,2024-04-03 Desert

Diggers Writings from a War Zone Somewhere in the Middle East 1940 1942 draws upon hundreds of soldiers letters in a fresh and captivating narrative of the war in North Africa Desert Diggers follows the first men to volunteer after the outbreak of war in 1939 tracing their adventures in exotic ports before further training in Palestine A hunger for action grew Most of the chaps are anxious to get into anything that looks like a fight one soldier wrote to his brother From Egypt the hottest and dustiest place on God s earth was the Diggers next destination and their blooding in the battles for Bardia and Tobruk After Rommel failed to storm Tobruk in April May 1941 Nazi propaganda denigrated the garrison caught like rats in a trap Amid frequent bombing and shelling Berlin s scornful broadcasts were an unintended tonic Frequently we laughed and joked until the tears came into our eyes a Digger quipped From Tobruk to the blunting of Rommel s attacks at El Alamein the price of victory was palpably high some of my best mates didn t come out of it lamented a corporal to his sister Returning to Australia in 1943 some men maimed or traumatised brought a further test for the Diggers Told in the words of the men who served Desert Diggers offers a new personal perspective on the Western Desert campaign With immediacy and raw emotion these skillfully woven letters provide a remarkable and compelling account of the Australian experience of war Call of the Phoenix Erik Daniel Shein,Melissa Davis,Karen Fuller,2017-12-14 Ever since the beginning people have shared the world with the animals Magical guardians once guided the people to treat all Earth s creatures with reverence The mystical winged serpent Challis lived within the chosen guardians guiding them to promote a peaceful co existence When her spirit transcended from the mystical amulet to the next spirit keeper darkness eroded her purity making her pure magic a new vessel for darkness When the new keeper s reign was broken the damage had already been done The keepers faded into the backdrop of our history praying that one day a new generation of guardians would restore the balance of their world No one could have known centuries would pass that it would take a modern world to retrieve the magic of long ago When fourteen year old Seraphina Miles is sent to live with her estranged archaeologist father she has no idea she would be in for the adventure of a lifetime When she finds a strange amulet hidden in the ruins of Machu Picchu her boring summer is suddenly filled with a magic beyond her dreams The amulet leads her to a golden egg in the middle of a burning fire When the shell breaks the phoenix hatchling nestled inside imprints on Sera Their special connection sends her on a quest to find the missing stones which will give her the power to defeat the winged serpent that hides in the shadows Recognised and Harmed Georgios Bouchagiar,2023-11-25 Private face recognition technologies are increasingly entering the private and public sphere with no adequate checks and balances This comprehensive and important new reference work explores crucial regulatory challenges stemming from the use of private face recognition technologies in Europe After detecting technological neutrality in law legal uncertainty in case law and the risk of over surveillance it recommends an ex ante and targeted classification approach with a view to minimising privacy harms Under the proposed scheme an expert agency can scrutinise a given technology balance conflicting stakes classify that technological use and finally give a go no go or go in condition

Rumors of Buildings to Live in Keith Shein,2002 Poetry I read Keith s work because it haunts and because there are beings inside each of whom sees in a clear and solitary way It puts me in odd and disquieting places and heads The landscape is like nothing else I know in poetry a shifting geometry full of other non declamatory minds There are living eyes everywhere in RUMORS OF BUILDINGS TO LIVE IN and none of them care at all about Keith or the reader There are dogs on their own almost enterable and I don t know how he does that It s also a passionate look at the children we hate in our own sweet ways and condemn to hell every day in exchange for a little money and some notion of having risen above Larry Kearney The New Yorker ,1956-08 The New Republic Herbert David Croly,1932 Championship Bridge With Charles Gorgen Charles Gorgen, Harness Horse ,1977
