Personal Finance Bernard J. Winger, Ralph R. Frasca, 2006 The treatment of vertical intra brand restraints is

one of the most controversial issues of contemporary competition law and policy and there are substantial differences between the world's two leading regimes in this regard. In the US resale price fixing merits an effects analysis while in the EU it is prohibited outright. Likewise territorial protection is treated laxly in the US while in the EU absolute territorial protection due to the single market imperative is chased with fire and sword.
