**How to Human** Carlos Whittaker,2023-01-24 A much needed reminder about what it means to be truly human in a world where people feel increasingly disconnected from each other and from God by the popular author of Enter Wild I hope you will enjoy this book But more than that I hope you will enjoy getting to know my friend He is exactly

who we need today and every day as we all learn together how to human from the foreword by Sharon McMahon 1 New York Times bestselling author of The Small and the Mighty These are crazy times people We are more agitated than ever We're fighting Wrestling with big issues Less connected than ever to one another and to God It's a perfect storm debilitating anxiety crashing relationships and forgetting what it feels like to well be human In How to Human author speaker and social media personality Carlos Whittaker offers a fresh vision for becoming the best versions of ourselves We can refuse to let disagreements define us We can say no to becoming upset rage filled humans and say yes to fuller happier lives It begins as we make the shift from me to we to everybody in a three part journey to be human see fellow humans and free those around us You'll think laugh and be inspired by this practical guide which reveals how to help others how to hope fiercely and how to experience the thrill of being fully human Carlos describes a radical path of love one that requires us to become builders rather than demolitionists One that gets personal One that moves toward others in faith rather than away in fear One that when times get crazy is willing to get crazier in a good way One that understands the big joy of how to human **The S@#t**

**I've Heard at Yoga** Michael J. Norton,2026-01-06 *S t I've Heard at Yoga* is a collection of humorous unexpected and insightful essays that reveals how yoga helped a Type A cynic transform to a Type Y oga optimist Calm is the new superpower This collection of eclectic anecdotes charts my reluctant evolution from cynic to optimist Inspired by bits of random dialogue with fellow yogis confessional phone calls from friends loud talkers in coffee shops a stare down with a winter skinny deer and salient nuggets from yoga instructors in various locales including the Hamptons Palm Springs Upstate New York Los Angeles Nantucket and Martha's Vineyard the sharp edged wisdom found in these pages is the ultimate DIY therapy Rather than explore the spiritual core or physical practice of yoga these stories capture how yoga can lighten the rest of your day by quieting the crazy squirrels that live in your head In the context of our social political and cultural oddities these essays surf the edge between outrage and OM As a wisewoman said Yoga really begins when class ends Michael's theory if everyone was required to practice yoga we'd have a lot less s t to deal with in the world Whether you're twenty thirty or sixty if you're stuck if you're trying to navigate a shift in your personal professional or romantic identity *S t I've Heard at Yoga* may help you go from Now what to What's next **Digging Dr Jones** Olivia Jackson,2025-05-02 Cute quirky and with loveably relatable characters A sweeping romance a romp through the jungle in search of lost treasure snarky banter great fun from start to finish Marianne Gordon A laugh out loud spicy adventure romcom Perfect for fans of The Lost City Lyla Sage and Christina Lauren

**Day Trading Attention** Gary Vaynerchuk,2024-05-21 New York Times and USA Today Bestseller One thing I've learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller *Jab Jab Jab*

Right Hook Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today s fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it s underpriced and how to leverage it Produce relevant strategic content Use modern advertising platforms to build brand and grow sales in today s rapidly changing environment

[The Quiet Zone](#) Stephen Kurczy, 2021-08-03 In this riveting account of an area of Appalachia known as the Quiet Zone where cell phones and WiFi are banned journalist Stephen Kurczy explores the pervasive role of technology in our lives and the innate human need for quiet Captures the complex beauty of a disconnected way of life The Nation With a new afterword to the paperback edition Deep in the Appalachian Mountains lies the last truly quiet town in America Green Bank West Virginia is a place at once futuristic and old fashioned It's home to the Green Bank Observatory where astronomers search the depths of the universe using the latest technology while schoolchildren go without WiFi or iPads With a ban on all devices emanating radio frequencies that might interfere with the observatory's telescopes Quiet Zone residents live a life free from constant digital connectivity But a community that on the surface seems idyllic is a place of contradictions where the provincial meets the seemingly supernatural and quiet can serve as a cover for something darker Stephen Kurczy embedded in Green Bank making the residents of this small Appalachian village his neighbors He shopped at the town's general store attended church services went target shooting with a seven year old square danced with the locals sampled the local moonshine In The Quiet Zone he introduces us to an unforgettable cast of characters There is a tech buster patrolling the

area for illegal radio waves electrosensitives who claim that WiFi is deadly a sheriff s department with a string of unsolved murder cases dating back decades a camp of neo Nazis plotting their resurgence from a nearby mountain hollow Amongst them all are the ordinary citizens seeking a simpler way of living Kurczy asks Is a less connected life desirable Is it even possible The Quiet Zone is a remarkable work of investigative journalism at once a stirring ode to place a tautly wound tale of mystery and a clarion call to reexamine the role technology plays in our lives
