The Gambling Act 2005 Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2012-07-24 High street betting shops and casinos alike are currently allowed a maximum of four B2 FOBT gaming machines which allow stakes up to 100 and a 500 prize Casinos should instead be permitted to operate up to twenty B2 type gaming machines Limiting the number of B2 machines in betting shops has encouraged them to cluster in some high streets in order to satisfy customer demand Local Authorities should have the power to permit more than the four B2 machines per shop if they believe it will help with clustering The Committee also recommends that any local authority be able to make the decision as to whether or not they want a casino As a step towards this existing 1968 Act Casino licences should be made portable allowing operators to relocate to any local authority provided that they continue to be constrained by the need to obtain local authority approval a premises licence and planning permission The failure to set remote gambling taxation at a level at which online operators could remain within the UK has led to almost every online gambling operator moving offshore whilst most are still able to advertise and operate into the UK The Committee further recommends the Gambling Commission should introduce a new licence fee structure which reduces

the current anomaly where small independent bookmakers pay much higher fees per shop than large chains Particularly given the absence of a significant UK regulated online sector or any Regional Casinos the Gambling Commission remains an overly expensive bureaucratic regulator

Politics on the Edge Rory Stewart, 2025-07-15 The 1 Sunday Times bestseller Named a best book of the year by Foreign Affairs Financial Times and Kirkus Reviews One of the best books on politics our era will see A book of astonishing literary quality Matthew Parris The TLS Rory Stewart walked across Asia served in British Parliament and ran against Boris Johnson Now he gives us his view of what's wrong with politics and how we can make it right Adam Grant The 12 New Fall Books to Enrich Your Thinking From a great writer legendary for his expeditions into some of the world's most forbidding places a wise honest and sometimes absurdist memoir of a most remarkable journey through British politics at the breaking point Rory Stewart was an unlikely politician He was best known for his two year walk across Asia in which he crossed Afghanistan essentially solo in the months after 9 11 and for his service as a diplomat in Iraq and Afghanistan But in 2009 he abandoned his chair at Harvard University to stand for a seat in Parliament representing the communities and farms of the Lake District and the Scottish border one of the most isolated and beautiful districts in England He ran as a Conservative though he had no prior connection to the politics and there was much about the party that he disagreed with Politics on the Edge is a candid and penetrating examination of life on the ground as a politician in an age of shallow populism when every hard problem has a solution that's simple appealing and wrong While undauntedly optimistic about what a public servant can accomplish in the lives of his constituents the book is also a pitiless insider's exposé of the game of politics at the highest level often shocking in its displays of rampant cynicism ignorance glibness and sheer incompetence Stewart witnesses Britain's vote to leave the European Union and its descent into political civil war compounded by the bad faith of his party's leaders David Cameron Boris Johnson and Liz Truss Finally after nine years of service and six ministerial roles and shocked by his party's lurch to the populist right Stewart ran for prime minister Stewart's campaign took him into the lead in the opinion polls head to head against Boris Johnson Politics on the Edge is his effort to make sense of it all including what has happened to politics in Britain and the world and how we can fix it The view into democracy's dark heart is troubling but at every turn Stewart also finds allies and ways to make a difference A bracing invigorating mix of irony and love infuses Politics on the Edge This is one of the most revealing memoirs written by a politician in living memory
