You should: a manual of hints and instructions for men and women Nod (pseud.), 1884 Building an Award-winning Guitar Program Bill Swick, 2022

Building an Award Winning Guitar Program is a practical guide to assist secondary and post secondary music educators with

the tasks involved in establishing a successful music program. With the rising interest in guitar, Mariachi, rock band, handbells, bluegrass, music technology, and so on, more and more music educators are being asked to teach innovative music classes. Author Bill Swick has crafted this book to help these educators build such innovative music programs from the ground floor, based on his years of experience as a music educator specialized in guitar. The book will assist music educators with classroom management, scheduling, structure, organization, fund raising, festivals, travel, and other subjects related to teaching guitar in the classroom, but its principles are broadly relevant to any and all music educators hoping to create a unique program that stands out within their school district and state, attracting students, parents, educators, and administrators alike.
