*Fantasy Kick* Michael Henby, 2006-10 Fantasy football is rapidly becoming one of the most popular games at the workplace. It is played by millions of people in office leagues across the United States and throughout the world. The game creates new and powerful networking dynamics by bringing employees from every level of the organization chart together and different departments for five months during the NFL season. *Fantasy Kick* breaks down how to play the fun game of fantasy football and use it to help advance your career. *2012 Fantasy Football Draft Guide by The Fantasy Fix*, *Sports and Their Fans* Kevin G. Quinn, 2014-01-10 Though Americans spend more than 25 billion a year on sports and sporting events, this book argues that the influence of sports on our lives is even more profound than this huge figure would seem to suggest. Exploring such topics as the role of sports in the creation of mass culture, cheating, the abuse of illegal drugs, the strange and fascinating role that numbers play in sporting events and the future of spectator sport, this book surveys the outsized impact that sports have on American culture. The author draws from new work in such fields as history, economics, politics, sociology, psychology and ethics to support his claims. Instructors considering this book for use in a course may request an examination copy here. *Billion Dollar Fantasy* Albert Chen, 2019 The author reveals the story of the rise of daily fantasy sports and the brilliant entrepreneurs disrupting the way fans consume sports. *Cable Vision*, 1998

**Advertisers at Work** Tracy Tuten, 2012-09-07 Conversations with some of the sharpest minds in advertising lead the reader gently into the heart of the business. A great read whether you're starting out in advertising or simply want to pick up some tips from the greats. Mark Tungate, author of *Adland: A Global History of Advertising and Branded Beauty: How Marketing Changed the Way We Look*. In *Advertisers at Work*, Tracy Tuten conducts interviews with some of the ad world's biggest players. The interviews range from advertising legend Mike Hughes to leaders of the next generation like David Oakley and Susan Credle. They reveal much about the nature of creativity and why we all respond to certain ads either with a laugh or a purchase. Tuten's skillful questions also highlight how these men and women learned the craft, found mentors and landed jobs doing things they didn't know you could get paid to do. They talk about successes and failures, their hopes and dreams, and the direction of the industry as we move into the age of social and branded media.
