Grinin, Princess Irene of the Netherlands, Ervin Laszlo, Roland Robertson, Wali Teymouri, Tomasz Kamusella, Petr Blizkovsky, Karl-Heinz Pohl, Anastasia V. Mitrofanova, Patrick A. Taran, Michael Charles Tobias, Jane Gray Morrison, Endre Kiss, Tom Rockmore, Peter McCormick, William C. Gay, Lu Feng, 2015-03-30 Despite the increasing flow of publications on globalization our ideas and knowledge about this phenomenon still leave much to be desired That is why the special periodicals and books in the field of Global Studies are of utmost importance for modern society Of great importance are also the books which accumulate the last achievements of scientific thought in the field of Global Studies The present edited volume is just the book of the kind Its title This Globalizing World reflects the main idea of the formation of a new World System This book comprises the best articles which have been published in the interdisciplinary journals Age of Globalization published in Russian its English language digest as well as in the Journal of Globalization Studies The articles included in the volume reflect the today's pressing issues and they also present a number of forecasts for the nearest future and for the more distant periods of the global development as well In the present volume one can find the perceptions of globalization by a number of scholars from different countries whose articles have been published in the mentioned journals [The Routledge Handbook of Soviet and Russian Military Studies](#) Alexander Hill, 2025-02-24 This handbook brings together historical and contemporary essays about Soviet and Russian military studies to offer a comprehensive volume on the topic Comprising essays written by acknowledged specialists the handbook examines the development of the Russian and Soviet armed forces from the Napoleonic Wars all the way through to the course and conduct of the Special Military Operation in Ukraine Divided into thematic and chronological sections the volume looks at wars fought by the Tsarist regime through to the First World War the Soviet Union's Great Patriotic War from 1941 to 1945 the Cold War including the Soviet war in Afghanistan and Russia's post Soviet wars and military development In addition the volume also includes a section that analyses a number of overarching themes including the development of Russian and Soviet airpower partisan warfare counterinsurgency and the role of women in Russian and

Soviet armed forces The volume concludes with an essay looking at whether using the historical material and material on the conduct of the war in Ukraine we can reasonably talk of a Russian way of war This volume will be of considerable interest to students of the Soviet Union and Russia strategic studies and military history **Dynamics of Energy Governance in Europe and Russia** C. Kuzemko,A. Belyi,A. Goldthau,M. Keating,2012-03-02 Energy in Europe and Russia is in flux This book presents a rich set of case studies for analyzing the complex and intertwined regional dynamics of multiple actors levels and policy fields in energy throughout Europe and Russia with the aim of offering an alternative view to the prevalent geopolitical or neoliberal approaches **Russia and America** Colin White,2023-06-14 Russia and America 1987 examines the divergence between two countries organised on diametrically opposed economic principles one centrally planned state dominated the other a highly decentralised market economy free from significant government intervention It highlights not the political changes brought about by the Russian revolution but a longer more gradual process of interaction between physical and human environments A comparative study extending over several centuries is used to account for the striking differences in their economic history Free Russia ,1895 **Bibliography of European Economic and Social History** Derek Howard Aldcroft,Richard Rodger,1984 A reference guide to the literature in English for teachers and students of modern European economic and social history The bibliography covers writings on the period 1700 to 1939 and includes most of the literature published in the 20th century and a small selection of still important earlier 19th century writings The selection is confined largely to books and articles and each entry includes date of publication publisher and place of publication in the case of books and the volume number and year of publication for articles Geographically the volume encompasses the whole of continental Europe including Turkey Distributed in the US and Canada by St Martin s Press Annotation copyright by Book News Inc Portland OR **American Book Publishing Record** ,2003 *International Partnership in Russia* James Henderson,Alastair Ferguson,2014-02-17 International Partnership in Russia provides a unique insight into the joint ventures formed by international oil companies in Russia during the post Soviet era It outlines the highs and lows in their fortunes and analyses the reasons for their successes and failures **Dealing with the New Russia** Nigel Holden,Cary L. Cooper,Jennifer Carr,1998-07 Despite economic woes and murky data global investors are pouring in Is the bubble set to burst was the question posed by Business Week in March 1997 Not according to current data which sees an ever growing river of foreign cash flowing into Moscow But how long can it last Since the collapse of the Soviet Union Russia and the CIS have become a hunting ground for business and management adventurers Management consultants business people educators and economists have rushed to do business in the New Russia taking advantage of the huge sums of money poured into Russia by global investors But dealing with a fragile volatile and unpredictable economy is only part of the difficulty facing those wishing to take advantage of a bargain priced if risky marketplace Westerners are often faced with serious and sometimes intractable communication problems The differences in economic and political systems

infrastructures national and business cultures and managerial attitudes and habits present difficulties not previously encountered elsewhere To achieve long term success in this part of the world it is essential perhaps more than anywhere to build relationships This means genuinely understanding the past as well as the present To understand Russia today it is crucial to understand where it has come from Only then can you have a stake in its future In order to have any hope of meeting long term business objectives in this most restless of countries it is essential to build intense interpersonal relationships Knowing how to do this requires an informed understanding of Russia s past as well as an appreciation of the complexities of the present transition to market economy conditions and insights into the Russian business mentality Without such knowledge all forms of management cooperation with Russia are placed under severe stress Dealing with the New Russia helps to demistify the boundaries which must be crossed by focusing on Russian and their assumptions about and attitudes to the West the new style Russian manager business executive the skills needed to initiate and develop a business relationship with Russians the Russian approach to business negotiation Extensively researched this practical accessible and informative book which includes a glossary of Russian management expressions will be invaluable for all those contemplating or embarking on major involvement with their Russian partners Public Opinion ,1874 Natural Gas Michael J. Bradshaw,Tim Boersma,2020-04-23 Is natural gas the bridge to our low carbon future In power generation industrial processes parts of the transportation sector and for domestic use natural gas still has the potential to play a greater role in various energy transition pathways around the world But such a future is by no means certain In this book Michael Bradshaw and Tim Boersma offer a sober and balanced assessment of the place of natural gas in the global energy mix today and the uncertainties that cloud our understanding of what that role may look like in the future They argue that natural gas has become prominent in recent decades spurred by two revolutions the first has been the rise of unconventional natural gas production and the second the coming of age of the market for liquefied natural gas LNG However a third revolution is required to secure natural gas long term role in various energy transition pathways as countries are increasingly pushing to address air quality concerns and curtail greenhouse gas emissions This revolution has to take place as politicians citizens investors and shareholders are becoming increasingly vocal about the need to improve the environmental footprint of the fuel while simultaneously and perhaps paradoxically demand for it continues to grow in a world where geopolitical challenges seem to be mounting *Working Abroad* Jonathan Reuvid,2009 Whatever the reason and however long you plan to stay moving overseas is not just about deciding what to take with you Your entire life is about to change and the more prepared you are the better the relocation will go **The Congregationalist and Advance** ,1918 *The Student's Journal* ,1898 **Macartney in Russia** Michael Roberts,1974 British Boys ,1897 *The Saturday Review of Politics, Literature, Science and Art* ,1882
