P is for Poland Agnieszka Mrowczyńska, 2014-04-07 From Amber to Chopin from Borsch to Vistula this photographic alphabet celebrates everything Poles love best about Poland Set in the heart of Europe and full of lakes forests and mountains the country has wild animals which have disappeared from the rest of Europe Polish history and folk traditions its storytelling and cooking all combine to make a special way of life that Polish people take with them wherever they go **P is for Poland** Agnieszka Mrówczyńska, 2008 An alphabetical and photographic journey through Poland depicts its people customs history and scenic beauty **International Acronyms, Initialisms, and Abbreviations Dictionary** Julie E. Towell, Helen E. Sheppard, 1987 Walford's guide to reference material Albert John Walford, 1987 **Alphabet of Solidarity** Barbara Fedyszak-Radziejowska, Andrzej Horubała, Paweł Janowski, Jan Pietrzak, Piotr Semka, Barbara Sułek-Kowalska, Wojciech Tomczyk, Mateusz Wyrwich, Joanna Lewandowska, Alphabet of Solidarity is primarily addressed to young readers who do not remember those events and usually know little about the history of Solidarity We want to explain to them why we witnesses of that time insist that this history is still alive that it is so very important not only for us but also for young Poles Because surely the history of Solidarity is fascinating and inspiring today too It contains a positive narrative about Poland and Poles Each generation gradually grows to respect its ancestors Because without knowing who preceded us in the generational relay we cannot understand ourselves Even if as is the right of youth we are ridiculing tradition demonstrating that it means nothing to us there comes a time when we find ourselves lacking this knowledge And we need it like we need oxygen The history of Solidarity not only inspires but also enables us to respect our ancestors and our nation It lets us believe in the sense of fighting for an independent state in the sense of patriotism civil courage altruism love of our fellow man and the clearly understood pluralism and tolerance Such heritage is included in the tradition of Solidarity In order to talk about this we selected a form that is easier to take in than a scientific book with hope that it will also be read by those who usually stay away from scientific works Hence the idea of the Alphabet of Solidarity format with short encyclopaedic entries The book contains an alphabetical collection of names concepts slogans and surnames which constitute a specific synthetic guide through the history of the Solidarity Carnival of 1980 1981 The texts are not scientific Rather they are testimonies of the authors who usually as an op ed describe the phenomena of the freedom revolution employing a variety of styles and conventions The authors who accepted our invitation to participate in this project are a varied and pluralistic group just like Solidarity However what they all have in common is the belief that we are all both debtors and heirs of Solidarity and that it is a story worth telling The purpose of the Alphabet of Solidarity is to showcase the brighter side of our history which still inspires people with the positive energy of that time because There is no freedom without Solidarity Krzysztof Nowak *International Acronyms, Initialisms & Abbreviations Dictionary*, 1985 **The World's Major Languages** Bernard Comrie, 2018-04-17 The World's Major Languages features over 50 of the world's languages and
