Engaging Students With Disabilities in Remote Learning Environments Huckvale, Manina Urgolo, McNeal, Kelly, 2023-02-24 For students with disabilities the road to engagement in remote learning environments often requires the teacher and learning environment to accommodate their disability as well as build the skills necessary for success in remote learning activities. It is imperative that all teachers not only special education teachers be prepared to teach and engage students with disabilities in remote learning platforms. *Engaging Students With Disabilities in Remote Learning Environments* focuses on research based practices as well as case studies relating to ensuring equitable access to remote learning environments for students with disabilities. The book also discusses new applications that can benefit students with disabilities strategies for promoting collaboration to increase virtual engagement and a dissemination of best practices and standards that support effectively engaging and promoting student learning for students with disabilities in remote environments. Covering topics such as assessment virtual classrooms and teacher development this reference work is ideal for administrators policymakers researchers scholars academicians practitioners educators and students. Writing in the Social Studies Aaron Pribble, 2021-04-01 Writing in the Social Studies is a practical guide for educators. On each page are strategies tips and takeaways for teachers to implement in their classroom while every chapter concludes with helpful handouts to distribute directly to students. Beginning with a framework and pacing guide Writing in the Social Studies examines foundational academic and real world writing concluding with a methodology for grading and a spirited plea for teachers to write themselves. Teachers who believe in teaching skills through content finally have a blueprint from which to

work Those who understand it is imperative students graduate with the ability to think critically and express a point of view now have a vehicle with which to achieve their goals Writing in the Social Studies will be the first book to tackle this crucial yet neglected corner of the curriculum There is a desperate need for professional development in this area and therefore also tremendous opportunity It is a professional imperative that social studies educators teach a variety of writing skills through content As a result they should have access to a resource which clearly and engagingly shows them how This is Writing in the Social Studies Keeping Pace with Technology Kathleen P. King,2002 Faculty in Higher education face a multitude of demands and challenges in their work Not least among these is the need to use technology in ways that will be meaningful and useful This book has been conceived of and written to encourage faculty and those responsible for faculty development to capture a vision of the great promise technology has for educators and a means of tapping into some of these possibilities It book focuses on the potential of educational technology for higher education s faculty s professional development

PLC+ Douglas Fisher,Nancy Frey,John Almarode,Karen Flories,Dave Nagel,2019-05-16 What makes a powerful and results driven Professional Learning Community PLC The answer is collaborative work that expands the emphasis on student learning and leverages individual teacher efficacy into collective teacher efficacy PLC Better Decisions and Greater Impact by Design calls for strong and effective PLCs plus and that plus is YOU Until now the PLC movement has been focused almost exclusively on students and what they were or were not learning But keeping student learning at the forefront requires that we also recognize the vital role that you play in the equation of teaching and learning This means that PLCs must take on two additional challenges maximizing your individual expertise while harnessing the power of the collaborative expertise you can develop with your peers PLC is grounded in four cross cutting themes a focus on equity of access and opportunity high expectations for all students a commitment to building individual self efficacy and the collective efficacy of the professional learning community and effective team activation and facilitation to move from discussion to action The PLC framework supports educators in considering five essential questions as they work together to improve student learning Where are we going Where are we now How do we move learning forward What did we learn today Who benefited and who did not benefit The PLC framework leads educators to question practices as well as outcomes It broadens the focus on student learning to encompass educational equity and teaching efficacy and in doing so it leads educators to plan and implement learning communities that maximize individual expertise while harnessing the power of collaborative efficacy *The Joy of Coaching* Rebecca Frazier,2020-08-06 The secrets of coaching excellence are already inside you Successful coaching has long been seen as a mental exercise in order to do right by the teachers you serve you put theory into practice establish orderly processes analyze data effectively and implement externally mandated reforms The truth though is that truly great coaches derive their success not just from what they do but also from who they are This groundbreaking book based on research from an innovative mixed methods study provides a holistic approach to coaching that honors both mind and heart As you explore
