**Education Reform in Societies in Transition**, 2006-01-01 Framed against the background of educational change this book proposes to examine the relationship between curriculum change teacher professional development policy reform and the processes of educational change The main aims of the book are to 1 focus on educational changes and reconstruction in transitional societies that have undergone political economic and social change in the past two decades 2 provide a forum for the dissemination of research on education reconstruction and reform in transitional societies 3 disseminate ideas that

enhance both the practical and theoretical aspects of educational changes in these societies 4 further knowledge and understanding of emerging trends and issues in education in these societies 5 reflect the realities of educational scenarios in each transitional society The book presents an in depth exploration of educational reconstruction in 15 transitional societies In each chapter the authors have provided an overview of educational processes in the country a distillation of education change or reform and or reconstruction in each transitional society Collectively the chapters in the book have attempted to contribute to a better understanding of the educational system in respective countries by identifying the challenges and obstacles the policy implications the teacher professional development needs and curriculum reform efforts Scientific

**Scholarships** Gail Schlachter,Kaplan,R. David Weber,Service Press Reference,2005 Presents a guide to college scholarships with over 3 000 listings for funding opportunities in the sciences social sciences and humanities including eligibility information advice on application procedure and tips for avoiding scams EASYUNI Ultimate University Guide 2014 EasyUni Sdn Bhd,2014-07-02 Hi there It s nice to present you once again with another hot issue of easyuni On 11 June this year we launched the unifrens social platform an extension to easyuni s existing vision of providing comprehensive and accurate information to students about colleges and universities This is another milestone in the history of easyuni as one of Asia s most popular education portals committed to helping students with their higher education plans unifrens is a social platform which allows students searching for universities and colleges with similar interests to connect with each other to help them make unbiased and community driven decisions about their higher education It also allows them to connect with students who are currently enrolled at universities who can tell them about their experiences about a particular city country university or a course unifrens is something we had been planning for a while to complement our current family of tools for students We always knew that our users would love it as they want more community driven information instead of promotional content from universities and study abroad consultants I believe this feature will democratise the way information about speci c courses countries or institutions is presented and this can only mean good news for students and their parents visitors as it helps them make more informed decisions about which course institution or country to pick

Students can also pose questions to their groups which will be answered by experts and the community The feature is still in its beta stage but has gained massive traction with over 100 000 users already registered and assigned to groups Exciting isn't it The issue you're holding now has so much to offer as well So read every page and fill yourself with all the knowledge needed to make informed decisions about your higher education
