order something from Amazon at least once or twice a week books groceries electronic gadgets the list has grown every year So I didn't need to scribble the numbers on the back of an envelope to see that my annual Prime membership would pay for itself within a few months Easily In the decade since then Amazon has increased the Prime membership fee just 20 Meanwhile the company has stacked up more and more benefits to Prime much beyond the special shipping deals that attracted me at the start Free on demand streaming of movies and TV shows The service called Amazon Instant Video is similar to Netflix's online video service And while Amazon's video store doesn't yet match Netflix's selection Amazon is gaining rapidly Free monthly rentals of popular Kindle ebooks thanks to the Kindle Owners Lending Library Anyone with a Kindle device and a Prime membership qualifies for the freebies up to one book per month with no due date Free streaming music a service like the popular Pandora or Spotify Internet music services Whether you're like me someone for whom Amazon Prime is a must have or a more infrequent Amazon customer this book will explain how to get the most bang out of your Prime bucks
