The AI Marketing Canvas Raj Venkatesan, Jim Lecinski, 2021-05-18 This book offers a direct actionable plan CMOs can use to map out initiatives that are properly sequenced and designed for success regardless of where their marketing organization is in the process. The authors pose the following critical questions to marketers 1. How should modern marketers be thinking about artificial intelligence and machine learning and 2. How should marketers be developing a strategy and plan to implement AI into their marketing toolkit. The opening chapters provide marketing leaders with an overview of what exactly AI is and how is it different than traditional computer science approaches. Venkatesan and Lecinski then propose a best practice five stage framework for implementing what they term the AI Marketing Canvas. Their approach is based on research and interviews they conducted with leading marketers and offers many tangible examples of what brands are doing at each stage of the AI Marketing Canvas. By way of guidance Venkatesan and Lecinski provide examples of brands including Google, Lyft, Ancestry.com, and Coca Cola that have successfully woven AI into their marketing strategies. The book concludes with a discussion of important implications for marketing leaders for your team and culture.

TikTok For Business Raymond Wayne, 2022-09-17 Are You Ready To Make Your Business Go Viral With TikTok? It's About Time For You To Learn And Dominate TikTok Marketing For Business. According to the information presented on the website BusinessOfApps.com the number of active TikTok users topped 1.2 billion in the month of March 2022. Over six hundred and fifty million people had downloaded the TikTok app by the time the year 2021 came to a close and 2022 began. TikTok users spent a total of 2.3 billion in 2021 in the form of consumer spending on the platform. One of the reasons for TikTok's appeal is the short video format which is quite popular particularly among younger people. This format has gained a lot of traction in recent years. Because TikTok today has more than 1.2 billion active users it is highly likely that you will be able to locate your target demographic on the network. You are able to locate TikTok influencers that are already well known on the network and collaborate with them to target certain geographic areas. A user is considered to be a micro influencer by TikTok if they have at least 10,000 followers and it is common for these individuals to have a sizable following in the region in which they reside. However it is essential that you have the right mindset and that you develop the necessary skills in order to be able to use TikTok to make your business go viral. Getting the marketing plan for your TikTok channel just right is not a simple feat. On TikTok numerous companies have wasted their time and resources attempting to sell their brands products and services. If you want to get the most out of your efforts to promote your company on TikTok and to create videos for it you need to educate yourself on how to do so in the most effective manner. You have a responsibility to educate yourself on the advantages of incorporating TikTok into your online marketing approach as well as the means by

which you can amass a greater number of views and followers. Here's where my advice for you comes in. You will approach the promotion of your business on TikTok and the creation of videos in the right way to achieve the best results. You will learn the benefits of adding TikTok to your online marketing strategy. You will be able to gain more views and followers on TikTok. You will learn proven techniques to get the best results from TikTok. You will learn the TikTok marketing mistakes that you need to avoid. Plus a whole lot more. To make it easy, I've put together a step by step guide that will show you exactly how it's done.
