To Stand with Palestine Karam Dana, 2025-02-04 In recent years attitudes in the United States toward the Palestinian cause have shifted dramatically Although Palestinians have long been demonized in U.S. media and politics their struggle portrayed as illegitimate emergent progressive voices increasingly challenge the status quo on Israel and Palestine and express solidarity with Palestinian resistance What accounts for this change and its evolution This book provides a new lens on activism around Palestinian issues demonstrating how the global Palestinian diaspora has driven transnational political movements Karam Dana explores the ways that exile has shaped Palestinian identity and allowed for new forms of global activism He examines the social political economic and technological forces that have created space for Palestinian voices to be heard by wider audiences worldwide Drawing on interviews with scholars and advocates including members of the Palestinian diaspora and Jewish American activists as well as public opinion data and media analysis Dana traces how global Palestinian communities have influenced American views He addresses the backlash against pro-Palestinian advocacy but argues that solidarity with Palestinians both in the United States and globally will continue to strengthen Timely and insightful To Stand with Palestine offers an inside look at how Palestinians have shared their story with the world and why sympathy for their plight is growing with significant implications for the global political landscape

E-Commerce (Business Models And Business Strategy) Dr. G. Thiagarajan, 2024-01-17 Although E-commerce is growing a lot of business executives are still unclear about whether it fits their business model or how to take the next step Make sure E-

commerce will work for you before jumping in given the fierce competition cybersecurity risks and uncertainty over whether your customer experience will remain high Furthermore it's critical to understand the fundamental forms of business models and how they operate in e-commerce if your company has only recently started Especially in the beginning this knowledge will assist you in making some fundamental business decisions In actuality e-commerce is the way of the future for all business models Understanding how it best fits yours will enable you to stay ahead of the competition and sustainably encourage growth Your business's operations are influenced by interconnected plans known as e-commerce strategies There are three major e-commerce strategies to consider product strategy customer relationships and corporate considerations To guarantee the greatest results for your brand each of these needs to cooperate with the others Over the past few years e-commerce has grown dramatically Following the COVID-19 pandemic consumers' purchasing patterns shifted to include a greater number of online sales of products and services The explosive development of smartphones and other smart devices over the past ten years together with the launch of the high-speed 5G network have both contributed to the rise of e-commerce E-commerce is expected to grow even more as a result of advancements in digital and integrated payments the quick adoption of websites decentralized cross-border trade and metaverse platforms The book is structured around five general E-commerce models and strategies We anticipate that students will gain better insight from this book regarding the topics covered in the syllabus
