Video Editor Ai In The Us:

Sustainability and Social Responsibility of the Media and in the Media Milan Todorovic, Samuel O. Idowu, Silvia Puiu, 2026-01-01 This book addresses several relevant questions that keep coming up as the media sector develops and changes. Although the field of media is multifaceted, it is still dominated by very large commercial interests. The multitude of platforms, devices, formats, and technologies spread across different market segments are often controlled within the same value and supply chain, which are diagonally integrated and are tightly regulated by a set of changing and evolving community rules. Therefore, this book discusses a wide range of issues related to notions of media in various corporate, independent, and operational contexts of ethics, ownership, authorship, originality, trustworthiness, economic, social, and even environmental sustainability. In this context, the book considers the notion of sustainability and social responsibility in media contexts from a variety of new, unbiased, and diverse perspectives, making it valuable for researchers and practitioners.

Strategic Social Media Management Karen E. Sutherland, 2024-08-29 This textbook provides a lively introduction to the fast-paced and multi-faceted discipline of social media management with international perspectives. It approaches and tools to enhance the learning experience. Aside from focusing on practical application, the textbook takes readers through the process of strategy development and implementation, ethical and accurate content curation, and strategic content creation. Combining theory and practice, Strategic Social Media Management teaches readers how to take a strategic approach to social media from organisational and business perspectives and how to measure results. Richly supported by robust and engaging pedagogy and case studies, it integrates public relations, marketing, and advertising perspectives and examines key issues including risk, ethics, privacy, consent, copyright, and crisis management. Reflecting the demands of contemporary practice, advice on self-care is also provided, helping to protect emerging Social Media Managers from the negativity they can experience online. By the end, readers will be able to develop a social media strategy, understand accurate and relevant content curation, and create engaging social media content that tells compelling stories, connects with target audiences, and supports strategic goals and objectives. This is an ideal textbook for students learning social media strategy, marketing, and management at undergraduate level. It is also essential reading for business owners, marketing, public relations, advertising, and communications professionals looking to hone their social media skills. The first edition of this textbook won a Book Excellence Award, a Silver International Stevie Award for Best Business Book, and was named in the Best 100 Public Relations eBooks of All Time by the Book Authority.

Global Business Yongsun Paik, Dong Chen, William Newburry, Dan Prud'homme, 2025-09-18 This textbook is designed to help students recognize and analyze key issues in global business by bridging theory with real-world applications. new edition incorporates critical developments in the aftermath of the COVID 19 pandemic to provide leaders with a comprehensive understanding of today's global business environment. New and updated case studies illustrate the magnitude and complexity of global business, highlighting the roles of various stakeholders. In addition to insights on emerging markets, this edition sheds new light on reglobalization, economic nationalism, and geopolitical tensions. Technological innovation and digital transformation and sustainability enabling readers to stay informed about ever-evolving trends. By demonstrating how theories and concepts work in real-world business settings, this book provides readers with the essential tools to analyze and respond to global business challenges effectively. Undergraduate students looking for an introduction to international business and graduate students looking to apply their knowledge will find *Global Business* stimulating as it demonstrates how theories and concepts work in real-world business settings.

American Cinematographer, 1988 *Diverse Leadership Perspectives in Education: From K-12 to Higher Education* Soles, Brooke, Meyerott, Theresa, 2025-05-22 Diverse leadership in education is crucial for fostering inclusive and equitable learning environments across all levels of the education system. From K-12 schools to higher education institutions, leadership plays a pivotal role in shaping policies, curriculum, and school culture. Embracing diversity in leadership enhances the overall educational experience by ensuring that all voices are heard and valued, and it allows underdeveloped voices to be heard. Allowing diverse voices in leadership is essential for addressing systemic inequalities while also promoting innovation and preparing students for a globalized world where diverse perspectives are key to success. Exploring diverse leadership across educational levels provides insight into how these varied perspectives can positively impact both institutional practices and student outcomes.

Diverse Leadership Perspectives in Education From K-12 to Higher Education provides an overview of leadership's evolving purpose and scope, containing research, practical strategies, and examples of complex problems in the educational system and how having a diverse voice in leadership can help solve these problems. It explores the assets of diversity, multiple perspectives, and the role of students in the educational landscape. This book covers topics such as educational technology, gender and diversity, and information science, and is a useful resource for educators, sociologists, academicians, and researchers.
