The ABCs of CBM, First Edition Michelle K. Hosp, John L. Hosp, Kenneth W. Howell, 2012-09-26 This pragmatic accessible book presents an empirically supported conceptual framework and hands on instructions for conducting curriculum based measurement CBM in grades K-8. The authors provide the tools needed to assess student learning in reading, spelling, writing, and math, and to graph the resulting data. The role of CBM in systematic instructional problem solving is explained. Every chapter includes helpful answers to frequently asked questions and the appendices contain over 20 reproducible administration and scoring guides, forms, and planning checklists. The large size format and lay flat binding facilitate photocopying and day to day use. See also *The ABCs of Curriculum Based Evaluation: A Practical Guide to Effective Decision Making* by John L. Hosp, Michelle K. Hosp, Kenneth W. Howell, and Randy Allison, which presents a broader problem solving model that utilizes CBM.

The Together Teacher Maia Heyck-Merlin, 2012-05-09 An essential guide for over-scheduled teachers. Maia Heyck Merlin helps teachers build the habits, customize the tools, and create space to become a Together Teacher. This practical resource shows teachers how to be effective and have a life. Author and educator Maia Heyck Merlin explores the key habits of Together Teachers, how they plan ahead, organize work and their classrooms, and how they spend their limited free time. The end goal is always strong outcomes for their students. So what does Together or Together Enough look like? To some teachers, it might mean neat filing systems. To others, it might mean using time efficiently to get more done in fewer minutes. Regardless, Together Teachers all rely on the same skills. In six parts, the book clearly lays out these essential skills. Heyck Merlin walks the reader through how to establish simple yet successful organizational systems. There are concrete steps that every teacher can implement to achieve greater stability and success in their classrooms and in their lives. Contains templates and tutorials to create and customize a personal organizational system and includes a companion website: www.thetogotherteacher.com. Recommends various electronic or online tools to make a teacher's school day and life more efficient and productive. Includes a Reader's Guide, a great professional development resource. Teachers will answer reflection questions, make notes about habits, and select tools that best match individual needs and preferences. Ebook customers can access CD contents online. Disciplinary Literacy Connections to Popular Culture in K-12 Settings Haas, Leslie, Tussey, Jill, 2020-11-13. Literacy and popular culture are intrinsically linked as forms of communication, entertainment, and education. Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes. Utilizing popular culture to bridge literacy concepts across content areas in K-12 settings offers a level playing field across student groups and grade levels. As concepts around traditional literacy education evolve and become more culturally responsive, the connections between popular culture and disciplinary literacy must be explored. *Disciplinary Literacy Connections to Popular Culture in K-12 Settings* is an essential publication that explores a conceptual framework around pedagogical connections to
