## Navy Blue Jacket Manual 24th Edition:

*The Bluejacket's Manual* Thomas J. Cutler, 2017 From the days of oars and coal fired engines to the computerized era of the 21st century The Bluejacket's Manual has been an essential part of the American Sailor's sea bag for over one hundred years serving as an introduction to the Navy for new recruits and as a reference book for Sailors of all ranks Written by a Sailor whose decades of naval service included sea duty in patrol craft destroyers cruisers and aircraft carriers as both an officer and a white hat this newest edition has been overhauled to reflect the current state of the ever evolving United States Navy and includes chapters on ships and aircraft uniforms weapons damage control communications naval customs and ceremonies security leadership pay and benefits naval missions military fundamentals and seamanship Unique to this latest edition is the creation of an accompanying website that will serve to keep the book current and provide valuable

supplementary material as well as an improved organization that better fulfills the dual roles of primer and reference In total this latest edition of a recognized Navy classic continues to serve today's Bluejackets and Old Salts in the traditional manner while providing a fresh approach that will be welcomed by potential recruits Navy buffs and a growing number of Bluejacket Manual collectors

*The Bluejacket's Manual* Thomas J. Cutler, Mark T. Hacala, Paul A. Kingsbury, 2023-04-12 The 26th edition of The Bluejacket's Manual continues the tradition of previous editions of this iconic work by serving as both an introduction to neophyte U.S. Navy Sailors and as a career long reference work for all who wear the Blue and Gold Readers of previous editions will note two significant changes in this latest rendition The first recognizes the U.S. Navy's current emphasis on warfighting While routine and administrative guidance such things as uniforms honors and ceremonies pay and benefits standards of conduct etc remain this latest edition places greater emphasis on those aspects that Sailors are likely to encounter and must prepare for in the event of combat The first chapter is titled and focused on warfighting reflecting the emphasis on Warrior Toughness in the training curriculum at Recruit Training Command AKA boot camp at Great Lakes Illinois Readers will find that this training emphasizes the psychological as well as practical aspects of preparation providing a kind of philosophy that is tailored to Bluejackets who may well find themselves facing the challenges inherent to combat operations Other chapters in the book such as Weapons and Damage Control complement this emphasis The second major change to the book is its organization of information The result is a more user friendly book As always the major purpose of revision is to bring the included information relevant and up to date Readers will find coverage of those aspects of the Bluejacket's world that are evolving Such things as cyberwar and drones are now included with the emphasis on warfighting The Bluejacket's Manual 26th Edition is a comprehensive yet manageable reference that will continue to serve the needs of the Navy and those who serve
