

ITEMPO Reporting Requirements

BLUF: Some commands believe that ITEMPO reporting is no longer required, but this is not true. Timely and accurate ITEMPO reporting is essential.

NAVADMIN [300/06](#) and [348/06](#) outlined ITEMPO Reporting Requirements: Commands must document Sailors serving away from their parent command on the ITEMPO reporting system via BUPERS Online. Navy's ITEMPO system provides a vehicle to enter and archive each Sailor's deployed events. ITEMPO also documents deployment history for those Sailors transitioning to the Navy Reserve - the basis for deferring involuntary mobilization for active members who affiliate with the reserves. Commands must review unit/individual deployment histories for all members assigned.

Zone C Perform-to-Serve Results

BLUF: Leaders – *Be Brilliant on the Basics* and mentor Sailors impacted by PTS separations; make sure to meet PTS application deadlines for your Sailors.

Zone C PTS results have 67 Sailors being separated, but it's not the end of their Navy careers. They receive Involuntary Separation Pay if they serve 3 years in the Individual Ready Reserve (non-drillings). Since many E-5 Sailors in over-manned ratings have 'Must Promote' recommendations, joining the Selected Reserves (weekend drills) continues them toward a Navy retirement check; they are exempt from mobilizing for 2 years if affiliate with the USNR within 180 days of leaving active duty, and an affiliation bonus and advancement at or at a better pace than active duty is possible; there are higher HQT rates in the USNR; the GI Bill is available for immediately use; and they have possible rating conversion opportunities. Remember that Post 9/11 GI Bill transfers to spouses or children shown in DEERS must be done before leaving the Armed Services. These same benefits apply to those leaving due to Active Duty High Year Tenure limits.

—Apply for SOLRES quotas in PTS or talk to NPC's Career Transition Office, 901-874-4108 or CTO.enlisted@navy.mil.

—Also consider going Army with the Blue-to-Green program. For more information on this program visit www.army.com/366

Perform to Serve (PTS) and ASVAB

BLUF: Leaders are the guiding light to our Sailors' futures. *Be proactive and Be Brilliant on the Basics* ... build the Navy leaders of tomorrow, today.

ASVAB scores are important in determining eligibility for rating conversions, are used in Fleet RIDE and PTS as qualifying factors. B2 to NAVSTA Everett for having Sailors take the Armed Forces Classification Test to improve ASVAB scores and open up other rating possibilities. Everett's CMC, Cmdr Col Michael Schanche, says he's averaging an increased score between 25-30 points! This can get Sailors in a rating they like and help man our future Navy. Get involved in your Sailors' aspirations. Conduct CDBs, prep Sailors and get them retested to improve scores if needed and get PTS applications in on time. Watch Officer's Manual Charles Emerson Hovey,2018-03-22 Excerpt from Watch Officer s Manual United States Navy 1917 This volume is the result of an endeavor to collect and put in a compact form those details appertaining to deck duty which will be found necessary or convenient to an officer carrying on a watch While every line officer in the service is cognizant of most of the details it is because they are so nearly infinite in number as to be easily forgotten that an attempt to compile them was begun The regulations as far as they concern the officer of the deck are quoted in full many of the notes were found scattered through various professional publications and the balance consists of those small practical facts hints and suggestions not given elsewhere which must generally be learned by actual experience on deck With the generous permission of Lieutenant R A R Plunkett Royal Navy and Captain J as A Moss U S Army I have taken a few notes from their respective books And I am indebted to several officers of the U S Navy for many of the notes and for reading And correcting my manuscript About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works NavCivGuide Thomas J Cutler,2008-09-01 The success of the U S Navy in its more than two centuries of existence is due not only to the essential contributions of Sailors on active duty and in the reserve but to the civilians who have worked as part of the Navy since its earliest days But active and reserve Sailors go to boot camp or officer candidate school to prepare them for their new unique occupation And the Navy has long provided The Bluejacket s Manual to incoming Sailors to serve as an introduction and as a continuing reference so that they will feel more comfortable in a new and otherwise alien world where floors suddenly become decks where 1337 is a time in the here and now instead of a date from ancient history and where uniforms are anything but While it is impractical to send all civilian workers to a centralized indoctrination course it is possible to provide a common reference specially designed to acquaint civilians with this very special world they have entered This book is that common reference guide designed specifically for those civilians who like the Sailors in the Fleet serve the nation and the Navy and who need help in understanding where they are and what it is all

Kingsbury,2023-04-12 The 26th edition of The Bluejacket s Manual continues the tradition of previous editions of this iconic work by serving as both an introduction to neophyte U S Navy Sailors and as a career long reference work for all who wear the Blue and Gold Readers of previous editions will note two significant changes in this latest rendition The first recognizes the U S Navy s current emphasis on warfighting While routine and administrative guidance such things as uniforms honors and ceremonies pay and benefits standards of conduct etc remain this latest edition places greater emphasis on those aspects that Sailors are likely to encounter and must prepare for in the event of combat The first chapter is titled and focused on warfighting reflecting the emphasis on Warrior Toughness in the training curriculum at Recruit Training Command AKA boot camp at Great Lakes Illinois Readers will find that this training emphasizes the psychological as well as practical aspects of preparation providing a kind of philosophy that is tailored to Bluejackets who may well find themselves facing the challenges inherent to combat operations Other chapters in the book such as Weapons and Damage Control complement this emphasis The second major change to the book is its organization of information The result is a more user friendly book As always the major purpose of revision is to bring the included information relevant and up to date Readers will find coverage of those aspects of the Bluejacket s world that are evolving Such things as cyberwar and drones are now included with the emphasis on warfighting The Bluejacket s Manual 26th Edition is a comprehensive yet manageable reference that will continue to serve the needs of the Navy and those who serve **Navy Civilian Personnel Instructions** United States.
