But the Dame said he was to guard her and so guard her he will no matter how difficult the girl makes it. Bianca has always been scared of her father and lived in terror of his malicious whims. He has hurt her too badly for her to even consider defying him at least not for her own sake. But she will not allow him to hurt someone else not when she might have the power to stop it. She will do what she must and sacrifice what she must to stop his insane quest for power. The third book in the Once Upon a Romance Series *With True Love's Kiss* is a deeper and more heartfelt story of romance and redemption. This version of Snow White has strength and purpose along with a truly amusing set of seven little men.

Once-Upon-Thyme Celine Jeanjean, What happens when nothing goes according to plan in a fairytale If you re a fan of quirky characters fun yet heart warming stories slow burn and clean romance all with cozy vibes and of course a dragon then you will love this fairytale retelling at its heart a story about finding your happy ever after even when you don t fit the norm It s not easy being a princess especially when your fairytale life refuses to follow the script Adrianna grapples with many problems Her evil stepmother is too obsessed with her garden to remember being evil her evil stepsister is adorable and dear to Adrianna s heart and if that wasn t bad enough her fairy godmother spends her days drinking eating chocolate and flirting with the gardener And just when Adrianna thinks her life couldn t get any more absurd enter Prince Charming who inexplicably proposes to her stepmother Adrianna decides that enough is enough she s quitting the life of a princess altogether Except that escaping a fairytale isn t as easy as she thought and to preserve her home and her family she needs to somehow blunder her way to a Happy Ever After Meaning a prince has to rescue her and propose marriage So accompanied by her tipsy fairy godmother and a distractingly handsome annoyingly so stablehand she sets her sights on a formidable task finding a dragon in the hopes this will convince a prince to perform the required rescue and marriage proposal Once Upon Thyme is a wonderfully twisted take on the classic fairytale formula full of misfit characters unexpected twists and all about the importance of embracing life s beautiful imperfections After all even the most imperfect stories can lead to the most satisfying endings
