Beeghly, Catherine M. Prudhoe, 2002 Litlinks Activities for Connected Learning in Elementary Classrooms is designed as a supplemental text in children's literature reading and language arts courses The first chapters introduce using literature in the classroom Chapters 4 7 provide examples of activities that connect literature sections with different content areas in the elementary curriculum The activities are all linked to appropriate national standards **Nature-Based Learning for Young Children** Julie Powers, Sheila Williams Ridge, 2018-12-11 Nature Based Learning for Every Preschool Setting is designed to provide ideas for all early childhood educators ranging from novice nature educators to highly experienced nature educators in a wide range of ecosystems including forests cities prairies coastal and deserts It includes background information on a range of nature topics reproducible parent newsletters sample play based lesson plans guidance and health and safety issues related to nature activities ideas for free inexpensive equipment and materials and for big ticket items ideas for family involvement and connections to early childhood learning standards Chapters are divided by nature topic so readers can dip in right away where they want to start exploring Athens in Rome, Rome in Germany Patrick Lucky Hadley, 2015-09-16 The bawdy comedies of Aristophanes gradually began to attract more attention among learned circles in the later 16th century This trend culminated in 1586 when Nicodemus Frischlin produced new and strikingly original Latin

versions of five plays by Aristophanes With this work Frischlin completely recast the place of Aristophanes in the Republic of Letters forcing readers to approach him as a dramatist of tremendous contemporary relevance Frischlin was able to rehabilitate Aristophanes by calling attention both to the practical advice his plays could give on the administration of a res publica and to the light they could shed on serious problems concerning rhetorical education and political discourse within the troubled Holy Roman Empire under Rudolf II This work aims to restore Frischlin s translations to their rightful place of honor within the broader reception tradition of Aristophanes and Old Comedy while analyzing them within the context of Frischlin s own longstanding campaigns for educational and political reform *Planning for Learning through Numbers*

Jenni Clarke,2012-08-02 Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of numbers The Planning for Learning series is a series of topic books written around the Early Years Foundation Stage designed to make planning easy This book takes you through six weeks of activities on the theme of numbers Each activity is linked to a specific Early Learning Goal and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children s topic as well as ideas for bringing the six weeks of learning together The weekly themes in this book include finding numbers outdoors musical numbers cooking with numbers arty numbers shopping with numbers and we love numbers This book is a great way to bring numbers and early problem solving and numeracy skills into all areas of the curriculum so children learn about them in a fun and unpressured way
