## Online Advanced Issues International European Tax:

**Advanced Issues in International and European Tax Law** Christiana HJI Panayi, 2015-12-03 This book examines recent developments and high profile debates that have arisen in the field of international tax law and European tax law Topics such as international tax avoidance corporate social responsibility good governance in tax matters harmful tax competition state aid tax treaty abuse and the financial transaction tax are considered The OECD G20 project on Base Erosion and Profit Shifting BEPS features prominently in the book The interaction with the European Union's Action Plan to strengthen the fight against tax fraud and tax evasion is also considered Particular attention is paid to specific BEPS deliverables exploring them through the prism of European Union law Can the two approaches be aligned or are there inherent conflicts between them The book also explores whether when it comes to aggressive tax planning there are internal conflicts between the established case law of the Court of Justice and the emerging policy of the European institutions By so doing it offers a review of issues which are of constitutional importance to the European Union Finally the book reflects on the future of international and European tax law in the post BEPS world Tax, Inequality, and Human Rights Philip Alston, Nikki Reisch, 2019-04-11 In *Tax Inequality and Human Rights* experts in human rights law and in tax law debate the linkages between the two fields and highlight how each can help to tackle rapidly growing inequality in the economic social and political realms Against a backdrop of systemic corporate tax avoidance widespread use of tax havens persistent pressures to embrace austerity policies and growing gaps between the rich and poor this book encourages readers to understand fiscal policy as human rights policy and thus as having profound consequences for the well being of citizens around the world Prominent scholars and practitioners examine how the foundational principles of tax law and human rights law intersect and diverge discuss the cross border nature and human rights impacts of abusive practices like tax avoidance and evasion question the reluctance of states to bring transparency and accountability to tax policies and practices highlight the responsibility of private sector actors for shaping and misshaping tax laws and critically evaluate domestic tax rules through the lens of equality and nondiscrimination The contributing authors also explore how international human rights obligations should influence the framework for both domestic and international tax reforms They address what human rights law requires of state tax policies and how tax laws and loopholes affect the enjoyment of human rights by people outside a state's borders Because tax and human rights both turn on the relationship between the individual and the state neo liberalism's erosion of the social contract threatens to undermine them both *Countering Tax Crime in the European Union* Umut Turksen, 2021-03-25 This book seeks durable solutions for tax crime and is a great resource for the development of knowledge policy and law on tax crime The book uniquely blends current practice with new approaches to countering tax crime With insights from the EU funded project PROTAX which conducts advanced research on tax crimes the book comparatively analyses the EU's tax crime measures and the Ten Global Principles TGP's on fighting tax crime by the

Organisation for Economic Cooperation and Development OECD The study critically examines how the TGP can serve as minimum standards for the EU to counter tax crime such as tax evasion and tax fraud The study also analyses how the anti tax avoidance package can be graduated to fight tax crime in the EU When escalated the strengths of the EU tax crime measures and TGP can form a fortress in which criminal law can be empowered to mitigate tax crimes with greater effect The book will be particularly useful for end user stakeholders such as tax policy makers LEAs professional enablers as well as academics and students interested in productive interaction between tax criminal and administrative laws *Tax Notes International* ,2007 **Harvard Law School Catalog** Harvard Law School,1997 **VAT in the Digital Era** Yan Xu,2023-12-31 With the growth of the digitalized economy VAT on cross border digital supplies has emerged as an important issue Yet views and practices regarding the application of the VAT on these supplies differ significantly across different jurisdictions A lack of international VAT harmonization can cause double taxation or unintended double non taxation resulting in distortions and revenue losses VAT in the Digital Era considers unilateral and multilateral options for the creation of an internationally coordinated VAT framework Providing analysis of the status quo in key jurisdictions the book explores the implications of the digitalized economy for the VAT systems across borders It outlines possible approaches that can be taken to achieve a more consistent international VAT treatment of cross border supplies and the extent to which a multilateral solution would be preferable and achievable at the international level Bringing together contributions from leading international voices in the VAT law and policy and international taxation fields VAT in the Digital Era addresses current issues and proposes ways to coordinate VAT rules on cross border digital supplies This new book is essential reading for academics researchers governments and other financial organisations involved with the world s most important indirect tax **Advanced Strategies** Sally Jones,Shelley C.
