Online British Hymn S Children 1800 1900

Mike Jess

Online British Hymn S Children 1800 1900:

British Methodist Hymnody Martin V. Clarke, 2017-07-06 Hymnody is widely recognised as a central tenet of Methodism's theological, doctrinal, spiritual and liturgical identity. Theologically and doctrinally, the content of the hymns has traditionally been a primary vehicle for expressing Methodism's emphasis on salvation for all, social holiness and personal commitment, while particular hymns and the communal act of participating in hymn singing have been key elements in the spiritual lives of Methodists. An important contribution to the history of Methodism, British Methodist Hymnody argues that the significance of hymnody in British Methodism is best understood as a combination of its official status, spiritual expression, popular appeal and practical application. Seeking to consider what, when, how and why Methodists sing, British Methodist Hymnody examines the history, perception and practice of hymnody from Methodism's small-scale eighteenth-century origins to its place as a worldwide denomination today.

Scripture and Song in Nineteenth-Century Britain James Grande, Brian H. Murray, 2023-11-16 This volume brings together new approaches to music history to reveal the interdependence of music and religion in nineteenth-century culture. As composers and performers drew inspiration from the Bible and new historical sciences called into question the historicity of Scripture, controversies raged over the performance, publication and censorship of old and new musical forms. From oratorio to opera, from parlour song to pantomime and from hymn to broadside, nineteenth-century Britons continually encountered elements of the biblical past in song. Both elite and popular music came to play a significant role in the formation, regulation and contestation of religious and cultural identity and were used to address questions of class, nation and race, leading to the beginnings of ethnomusicology. This richly interdisciplinary volume brings together musicologists, historians, literary and art historians and theologians to reveal points of intersection between music, religion and cultural history.

Sound, Sin, and Conversion in Victorian England Julia Grella O'Connell, 2018-04-19 The plight of the fallen woman is one of the salient themes of nineteenth-century art and literature; indeed, the ubiquity of the trope galvanized the Victorian conscience and acted as a spur to social reform. In some notable examples, Julia Grella O'Connell argues, the iconography of the Victorian fallen woman was associated with music, reviving an ancient tradition conflating the practice of music with sin and the abandonment of music with holiness. The prominence of music symbolism in the socially committed, quasi-religious paintings of the Pre-Raphaelites and their circle and in the Catholic Wagnerian novels of George Moore gives evidence of the survival of a pictorial language linking music with sin and conversion and shows even more remarkably that this language translated fairly easily into the cultural lexicon of Victorian Britain. Drawing upon music iconography, art history, patristic theology and sensory theory, Grella O'Connell investigates female fallenness and its implications against the backdrop of the social and religious turbulence of the mid-nineteenth century.

British Hymn Books for Children, 1800-1900 Alisa Clapp-Itnyre, 2016-09-17 Examining nineteenth-century British hymns for children, Alisa Clapp-Itnyre argues that the unique qualities of children's hymnody created a space for children's

empowerment Unlike other literature of the era hymn books were often compilations of many writers hymns presenting the discerning child with a multitude of perspectives on religion and childhood In addition the agency afforded children as singers meant that they were actively engaged with the text music and pictures of their hymnals Clapp Itnyre charts the history of children s hymn book publications from early to late nineteenth century considering major denominational movements the importance of musical tonality as it affected the popularity of hymns to both adults and children and children s reformation of adult society provided by such genres as missionary and temperance hymns While hymn books appear to distinguish the child from the adult intricate issues of theology and poetry typically kept within the domain of adulthood were purposely conveyed to those of younger years and comprehension Ultimately Clapp Itnyre shows how children s hymns complicate our understanding of the child adult binary traditionally seen to be a hallmark of Victorian society Intersecting with major aesthetic movements of the period from the peaking of Victorian hymnody to the Golden Age of Illustration children s hymn books require scholarly attention to deepen our understanding of the complex aesthetic network for children and adults Informed by extensive archival research *British Hymn Books for Children 1800 1900* brings this understudied genre of Victorian culture to critical light

The Secularization of Baptism Mark G. McKim, 2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day *The Secularization of Baptism* demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross

[Walford's Guide to Reference](#)

Material: Generalia, language and literature, the arts Albert John Walford, 1998 From its first edition the purpose of Walford has been to identify and evaluate the widest possible range of reference materials No rigid definition of reference is applied In addition to the expected bibliographies indexes dictionaries encyclopaedias and directories a number of important textbooks and manuals of general practice are included While the majority of the items are books Walford is a guide to reference material Thus periodical articles microforms online and CD ROM sources are all represented In this volume a particular effort has been made to improve coverage of the latter two categories **Information Industry Directory**, 2009 Comprehensive directory of databases as well as services involved in the production and distribution of information in electronic form There is a detailed subject index and function service classification as well as name keyword and geographical location indexes Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation **Canadian Who's Who 2008** Elizabeth Lumley, 2008-01-05 Now in its ninety eighth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools Canadian Who's Who is an invaluable source of general knowledge The complete text of Canadian Who's Who is also available on CD ROM in a comprehensively indexed and fully searchable format Search astronaut or entrepreneur of the year aboriginal achievement award and Order of Canada and
