The Laid Back Guide To Intermittent Fasting Kayla Cox, 2018-10-19 Kayla Cox was a frustrated mom of three who weighed 222 pounds when she discovered intermittent fasting. She eventually lost over 80 pounds using this method of eating, but she had mixed results at first. She finally realized her big mistake: she was making it too complicated. She did not need to count calories, restrict carbs, or even limit her portion sizes. She found the best results when she made her plan simple and easy. When she started to practice intermittent fasting, six days a week, walk six miles a day, and take a cheat day on Sunday, she found she could lose weight easily and consistently. She's kept off the weight with what feels like very little effort and has found she loves intermittent fasting as a way of life. She's even started a YouTube channel which now has over 7,000 subscribers in order to tell others about the benefits she's had with intermittent fasting. She wrote this book to give an in-depth look at the weight loss journey she went on, including the struggles she had, the mistakes she made, and the process she used to lose the weight. *The Laid Back Guide To Intermittent Fasting* will give you all the tips, tricks, and lessons she's learned on her journey to easy and permanent weight loss.

28-Day FAST Start Day-by-Day Gin Stephens, 2023-12-26 Gin Stephens is unstoppable. And she won't even pause until she's introduced every potential reader to Intermittent Fasting. In her 28 Day FAST Start Day By Day, she dispenses the hows and whys of IF day by day for a reader's first month, giving IFers what they need to know when they need to know it. Supported throughout with inspirational case histories that add up to a troubleshooting primer, as well as tips, truths, and tweaks, 28 Day FAST Start Day By Day also has an important write-in aspect. Most IFers fail because they don't think the practice is working or think it's only working because they are naturally reducing calories by time-boxing their daily eating. With simple direct check-ins at the end of each of the first twenty-eight days, readers will stay on track by noticing how their bodies are reacting to IF, acknowledging non-scale victories, and setting a goal for the next day. It's Gin's version of habit formation, and it works. 28 Day FAST Start Day By Day is a complete program. Almost everything except the time framework will feel new, even to readers of FAST FEAST REPEAT, from picking an entry speed (Easy Does It, Steady Build, or Rip Off The Band Aid) on Day One to discovering your Appetite Thermostat in the middle of the month to Master the Delay on Day Twenty-Eight.
