Functional Assessment Lynette K. Chandler, Carol M. Dahlquist, 2006 This book describes functional assessment, a positive and proactive approach for addressing challenging behavior within school settings. From two experts in functional behavioral assessment and intervention comes a timely revision of a practical, easy-to-use book that describes how to prevent and remediate challenging behavior in school settings. This book provides the rationale for using functional assessment to address challenging behavior and describes how to conduct functional assessment and develop positive intervention strategies based on assessment information.
