The New Manager Steven Jacobs, 2016-08-01 The complete easy to follow handbook for newly appointed leaders How do you cope if you are new to your management position How do you lead well What principles must you apply You need help and you need it fast This simple book will provide you with all the necessary leadership principles to enable you to face your own unique challenges in leading your team advise you on how to get the best out of your staff as well as out of yourself and equip you with the necessary skills to not only manage but to lead In this book written by an author with years of experience in management you will find solutions to typical workplace challenges through practical examples of what other leaders have faced in similar situations As you work through daily issues in 52 easily accessible steps you will build leadership skills in a concrete and lasting way At the end of each chapter there are reflection questions to help you identify your current leadership approach Whether you read it from beginning to end or dip into it as problems or queries arise *The New Manager* will make your journey as a new leader exciting and allow you to prosper in every challenge

Thrive in Color Devika Brij, 2024-05-21 According to research 60 percent of your overall career success hinges on your ability to self advocate However as a professional of color communicating your value and contributions stepping up for opportunities and commanding the salary you deserve may feel like your biggest challenge too Author Devika Brij is here to show you that it doesn't have to be this way As the CEO of Brij the Gap and consultant to multiple Fortune 50 companies Brij's proven tools and strategies have helped thousands of underrepresented professionals create the exact careers salaries and work life balance they desire despite the institutional and systemic barriers arrayed against them *Thrive in Color* goes beyond motivation to address the specific action steps needed to proactively design and manage your career trajectory and bridge the gap between where you are and where you want to be In this comprehensive playbook for professional empowerment you'll learn How to create a personal brand regardless of your current role or level of seniority Why you need to own your narrative for career advancement instead of letting others create it by default How to create a powerful elevator pitch and executive summary that will clearly convey the value you drive at work How to strategically manage your relationships with your leaders to reach your career goals Master your mind to alleviate imposture's syndrome How to effectively cultivate your network of advocates including sponsors and mentors How to navigate unsafe spaces with managers and colleagues The keys to mastering negotiation How to exit gracefully when your current role or company no longer fits In the end our success isn't only for us It's for every person who looks like us who is coming up behind us By taking responsibility for our career trajectory we make it easier for others to thrive as well

The Leader Lab Tania Luna, LeeAnn Renninger, 2025-03-18 What if you could become a great manager leader and communicator faster *The Leader Lab* is a high speed leadership intensive equipping managers with the Swiss Army Knife of skills that help you handle the toughest situations that come your way Through painstaking research and training over 200 000 managers authors Tania Luna and LeeAnn Renninger PhD co CEOs

of LifeLab Learning identified the most important skills that distinguish great managers from average. Most importantly, they've discovered how to help people rapidly develop these core skills. The result? You quickly achieve extraordinary team performance and a culture of engagement, fulfillment, and belonging. Too often, folks are promoted without any training for the countless crucial responsibilities of the modern manager: being part coach, part player, part therapist, part role model. The Leader Lab serves as your definitive guide to what it means to be a great manager today and how to become a great leader faster. This book is based on LifeLabs Learning's wildly successful workshop series. It combines research tools and the playful, fluff-free style that's made LifeLabs the go-to professional development resource for over 1,000 innovative companies around the world. You'll learn how to quickly improve performance and engagement, handle tough conversations with confidence, identify and resolve the underlying issues holding your team back, create a culture of inclusion, spark innovation, reduce stress and burnout, fine-tune your coaching, productivity, feedback, one-on-one, strategic thinking, meeting facilitation, people development, and leading change skills. Learn the same high-leverage skills that new managers at the world's most innovative organizations are using to create impactful change in business and in life. This interactive, accessible, and brain-friendly resource will help you and your team ramp up and reach the tipping point of managerial greatness fast. **Lead with**
