**Heartfelt Thoughts: Chapters Six & Seven** James L. Harter Sr.,2011-05-26 Writing poetry to me is one of the best therapies that I can imagine It matters not what the subject may be or what the feeling happens to be p when the lines are written the heart becomes light and free The things on this earth are so exciting and wonderful that merely writing about the antics of an insect can be an enthralling learning experience A purging of the mind heart and soul is exhilarating and one can feel cleansed even if only for a little while to explore to go on never as before to wander into infinity what else is there in store we love we cry we sing we praise we live we die yet life goes on In this Poem I Am Robin Skelton,2007-10-30 Editor
