**Encyclopedia of Religion** Jones Lindsay,2005 **Introduction to New and Alternative Religions in America: Metaphysical, New Age, and neopagan movements** Eugene V. Gallagher,W. Michael Ashcraft,2006 Annotation Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called
