Not Your Mother S Rules:

Not Your Mother's Rules Ellen Fein, Sherrie Schneider, 2013-01-08 The authors behind the ubiquitous dating bible that launched a worldwide movement are back accompanied by their daughters with brand new advice updated for the modern era. How long should I wait to respond to his text message? Can I friend him on Facebook? Why did he ask for my number but never call me? When *The Rules* was published in 1995, its message was straightforward but mysterious. But for women looking for love today, it's not quite so simple. In a world of instant messaging, location check-ins, and status updates where hook-ups have become the norm, formal one-on-one dates seem a thing of the past. It's difficult to retain the air of mystery that keeps men interested. Now, with help from their daughters, the original *Rules Girls* Ellen Fein and Sherrie Schneider share their thoroughly modern, fresh take on dating that will help women in today's information age create the happy love lives they want and deserve. Whether you're a 20-something dating for the first time, a 30-something tired of being single, a 40-something giving advice to your daughter, or a 50-something getting back into the dating game, this book has the answers you've been waiting for. The Rules include: Stay Away from his Facebook Profile, Make Yourself Invisible, and Other Ways to Get Out of Instant Messaging; Stop Dating a Guy Who Cancels More than Once; Text Back Times Chart; Don't Just Hang Out or See Him 24/7; TTYL; Always End Everything First; Get Out of There; And much, much more. Providing the dos and don'ts you need to stop making mistakes and start finding romance, *Not Your Mother's Rules* will revolutionize dating today just as *The Rules* did nearly 20 years ago.

The Mothers' Journal, 1871 **Advocate and Family Guardian**, 1859 *Amazing Moms! Motherhood Curriculum, Workbook* Sophia Murphy, Dan Griffin, Harrison Crawford, 2025-09-24 The first gender responsive trauma informed curriculum designed specifically for mothers. *Amazing Moms! Motherhood Curriculum* consists of 16 two-hour co-facilitated sessions that include activities, exercises, and experiential opportunities. The goal of the workshop is to help participants create a vision of the mothers they want to be and to provide them with the awareness, tools, and confidence to achieve that vision. By encouraging participants to connect with the content on a personal level, the curriculum helps mothers enhance their relationships with their children and other family members. The *Amazing Moms!* program, including a Facilitator's Guide and Participant Workbook, goes beyond other parenting curricula addressing the complex intersection of female socialization, childhood and adolescent trauma, and relational struggles that can come between mothers and their children. It covers a broad range of topics including anger and shame, sex and sexuality, discipline, codependency, and self-care. The curriculum will challenge participants and facilitators alike to approach the material with vulnerability to achieve lasting growth. Follow detailed plans for facilitating 16 two-hour sessions on issues related to parenting, designed specifically for mothers. Help participants develop self-awareness and understand how their past trauma influences their emotions and behaviors. Encourage strong mother-child relationships with skill-building exercises and activities. Use techniques to foster safety, trust, openness, and honesty in group settings. This curriculum is for all moms with children of all ages, especially those
