*Reports of Cases Decided in the Appellate Division of the Supreme Court, State of New York* New York (State). Supreme Court. Appellate Division, Marcus Tullius Hun, Jerome B. Fisher, Austin B. Griffin, Edward Jordan Dimock, Louis J.

Rezzemini, Leland F. Coss, James M. Flavin, 2007     The Tifts of Georgia John D. Fair, 2010 This unique book addresses the under analyzed subject of internal migration in American historiography by showing the impact of eight generations of a family from New England on the development of Southern Georgia from the eighteenth to the end of the twentieth centuries. Focusing on cross regional influences The Tifts of Georgia sheds new light on such traditional topics as paternalism, cultural assimilation and race relations. Originally from Mystic Connecticut the Tifts migrated to Key West Florida where they profited from the wrecking trade set up business operations at various points along the eastern coast of the United States and eventually made a significant impact on some of the less developed areas of Georgia. The most important member of the family was Nelson Tift a pioneer businessman who founded the city of Albany Georgia in the 1830s and played a major role on behalf of his adopted state during the Civil War and Reconstruction. His enterprises were often coordinated with his brother Asa in Key West. Their nephew Henry Harding Tift founded Tifton and Tift County and Tift College in Forsyth was named for Henry's wife Bessie a major benefactor. Later Tifts were not only involved in the continued development of Albany and Tifton but made significant contributions to the economy and civic life of Macon Atlanta and other communities. The most important theme embodied in this monograph is how the Tifts brought Connecticut Yankee values to the South but were in turn transformed into Southerners. The Tifts of Georgia is richly illustrated with charts, maps and original photographs. This history of an important Georgia family should be of special interest to professional and amateur historians, sociologists, cultural anthropologists and genealogists.

*West's New York Supplement*, 2008     John Banville Neil Murphy, 2018-05-18 John Banville offers a close analysis of most of Banville's major novels as well as the Quirke crime novels he has written under the pseudonym Benjamin Black and his dramatic adaptations of Heinrich von Kleist's plays. From the beginning Banville's work has been marked both by the presence of a complex embedded discourse about the significance of art and by a concurrent self conscious obsession with its own status as art. His novels perpetually reveal an overt fascination with the visual arts in particular and with the aesthetic principle of literature as art. This study argues that as a whole Banville's work presents an elaborate and richly textured coded account of his relationship with art and with the self referential fictional world that his novels have conjured. It is from this critical context that John Banville's central argument is derived. This book asserts that Banville's fiction can be viewed both as an extended interrogation into the meaning and status of art as well as itself being a representative of the type of art that is admired in the pages of the novels. As such it also represents an extremely sophisticated enactment of the novel form that goes beyond the self reflexivity of late twentieth century fiction to chart new developments in the literary arts. The book's critical process involves several specific reference points. Firstly

Banville's own theoretical statements about art in interviews, essays, reviews, and journalistic writing over the past 40 years are synthesized into a coherent interpretation of the author's artistic vision, which is thereafter used as a conceptual touchstone when considering his major works of fiction. This is done in conjunction with investigating specific theoretical perspectives about the relationship between literature and art by critics such as Denis Donoghue and Susan Sontag, and by philosophers of art Graham, Gordon, Etienne, Gilson, Peter, Lamarque, and Susanne Langer. *The Bouviers* John H.
