**Robert W. Chambers: Master of The King in Yellow** Shawn M. Tomlinson, 2015-11-08 It has taken me 37 years to write this biography of author Robert W. Chambers. Along the way I wrote and published many articles about him but did not complete the biography until 2014. Despite his fame and thorough integration in New York high society very little was written about him during his lifetime. This volume contains the Expanded Edition of the biography Robert W. Chambers: Maker of Moons as well as the collection of articles originally titled Robert W. Chambers: In Search of the Unknown Author of The King in Yellow.
